Dear Mr. Doherty,

Many thanks for your cablegram with the very kind invitation to visit Boston.

I have very pleasant memories of Boston and of the many kindnesses I received here, but, that was a very, very long time ago, and has made me anxious to know if by any chance any of those who knew me personally are concerned in your invitation.

Rest assured that I would very much like to revisit Boston. I think Easter 1965 would be a good date.

Sincerely yours,

Ura Connolly O'Brien

Dear Mrs. O'Brien:

I am pleased that you have decided to come to Boston next year. Easter Week is indeed an appropriate date.

Concerning those who knew you personally, as you said, it has been a very, very long time ago. To the best of my knowledge the Connoily Club has not been active for forty years. If you have the names and addresses of your friends we will be glad to get in touch with them or their relatives and ask them to take part.

I have secured a hall or ballroom, the best in Boston, so I am told by those who know, for Easter Week 1965. I have spoken with the Program Director of the "Irish Hour", that is Radio Station WVOS here in Boston, with a view of using their facilities while you are here.

Most organizations have suspended activities until after Labor Day but the foundation is laid for your reception and I expect fine co-operation.

Yours sincerely,

Daniel Doherty

Dear Mr. Doherty,

I am very sorry to learn that you have been ill, and hope that by this time you are convalescing and well on the road to complete recovery.

Please forgive my seeming discourtesy of leaving your cablegram so long unanswered, but I have been in England and Scotland from early in October until a few days ago. My house was empty during that time, therefore, no mail was forwarded to me. It all piled up waiting my return.

I would like very much to hear news of your health, and hope you will ask someone to send it to me.

When last speaking to President de Valera I told him of my proposed visit to Boston and that you were arranging it. He remembered your name and said you had been active in the Bond Drive so many years ago. So I am hoping that when next I am speaking to the President I will be able to tell him that you are getting better and looking forward to a speedy return to good health.

With all good wishes,

I remain,

Sincerely yours

Nora Connolly O'Brien
