

Thinking
of You

P111317

Hi Alan,

Hope you are well and
happy also Nora.

I hear from Mary now and
then.

In fact I was talking to her
Easter. I called her.

I like my place very much
Take care of your self.

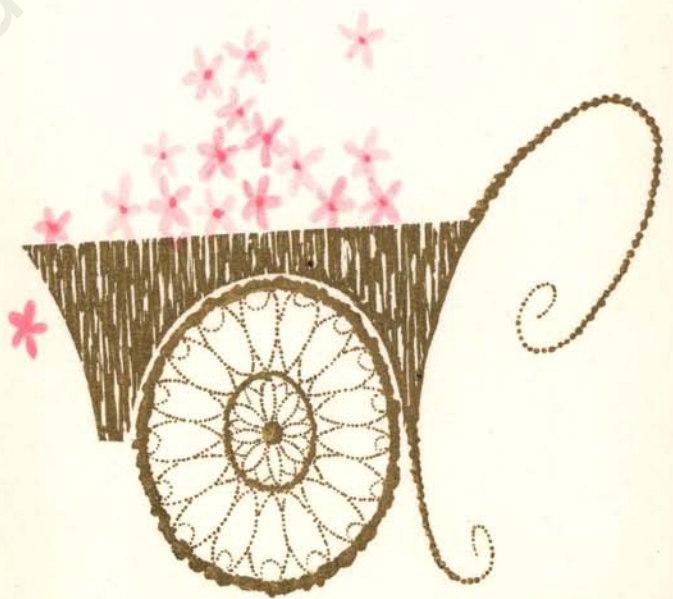

I never thought I would
live this long after Chester

Sincerely,

Mary M. Willey

I think of you so often
And every time I do
I make a special little wish
That all is well with you
And after that I stop and make
Another wish, you see
To hope that every now and then
You stop and think of me!

With the care you're getting
And all the rest —
With the doctors and nurses
All doing their best —
It won't be long
Till the glad day when
You'll be saying "It's good
To be home again!"

Sincerely
Helen Beleso
