Dear Dan:

I am in receipt of your telegram and in reply will say that I have no knowledge about how the arrangements were made for President O'Kelly to be the guest of President Eisenhower on March 17th. I am sorry that I cannot give you the information that you desire because I know nothing about how the arrangements were made. Like a number of others, I was contacted to see that an invitation was extended to President O'Kelly to visit the United States, and I interceded in this respect, but in relation to being the guest of President Eisenhower on March 17th, I have absolutely no knowledge as to how such arrangements were made.

With kind regards, I am

Sincerely yours,

Dear Dan:

I am in receipt of your telegram and as you know, I am not the Chairman of the Platform Committee at the coming Democratic National Convention. Congressman Chester Bowles is the Chairman. I am writing to Congressman Bowles asking him to give you the opportunity to appear before the Platform Committee and to let you know the approximate day or date that you might appear. If I were the Chairman this year, there would be no difficulty. As a matter of fact, if I were Chairman, I would be looking for you to appear.

With kind personal regards, I am

Sincerely yours,

P.S. I enclose a copy of my letter to Congressman Bowles.

John.

Dear Chester:

I enclose a telegram received from Mr. Daniel Doherty of 39 Stanley Street, Dorchester, Massachusetts who appeared before the Platform Committee at the last two conventions when I was Chairman of the Committee. I might say that Mr. Doherty is a very close and valued friend of mine for many years. While he doesn't state the purpose of his desire to appear before the committee, I assume it is in connection with an appropriate plank for Ireland. I shall appreciate it if you will make arrangements for Mr. Doherty to appear before your committee, and to advise him of the day or date or the approximate day or date that he can appear.

With kind regards, I am

Sincerely yours,

Dear Dan:-

I am sorry you did
not contact me before
as the Platform Committee
is well along in its con-
siderations. I, however, I
will contact Congressman
Albert, Chairman, and
request him to make
your telegram a part of
the record of the Committee.

As you know, I have

In my opinion, it is bound

ALL MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS:

To guard against mistakes or delays, the sender of a message should order it repeated, that is, telegraphed back to the originating office for comparison. For this, one-half the un-repeated message rate is charged in addition. Unless otherwise indicated on its face, this is an un-repeated message and paid for as such, in consideration whereof it is agreed between the sender of the message and the Telegraph Company as follows:

1. The Telegraph Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the un-repeated-message rate beyond the sum of five hundred dollars; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the repeated-message rate beyond the sum of five thousand dollars, unless specially valued; nor in any case for delays arising from unavoidable interruption in the working of its lines.

2. In any event the Telegraph Company shall not be liable for damages for mistakes or delays in the transmission or delivery, or for the non-delivery, of any message, whether caused by the negligence of its servants or otherwise, beyond the actual loss, not exceeding in any event the sum of five thousand dollars, at which amount the sender of each message represents that the message is valued, unless a greater value is stated in writing by the sender thereof at the time the message is tendered for transmission, and unless the repeated-message rate is paid or agreed to be paid and an additional charge equal to one-tenth of one per cent of the amount by which such valuation shall exceed five thousand dollars.

3. The Telegraph Company is hereby made the agent of the sender, without liability, to forward this message over the lines of any other company when necessary to reach its destination.

4. The applicable tariff charges on a message destined to any point in the continental United States listed in the Telegraph Company's Directory of Stations cover its delivery within the established city or community limits of the destination point. Beyond such limits and to points not listed in the Telegraph Company's Directory of Stations, the Telegraph Company does not undertake to make delivery but will endeavor to arrange for delivery by any available means as the agent of the sender, with the understanding that the sender authorizes the collection of any additional charge from the addressee and agrees to pay such additional charge if it is not collected from the addressee.

5. No responsibility attaches to the Telegraph Company concerning messages until the same are accepted at one of its transmitting offices; and if a message is sent to such office by one of the Telegraph Company's messengers, he acts for that purpose as the agent of the sender; except that when the Telegraph Company sends a messenger to pick up a message, the messenger in that instance acts as the agent of the Telegraph Company in accepting the message, the Telegraph Company assuming responsibility from the time of such acceptance.

6. The Telegraph Company will not be liable for damages or statutory penalties when the claim is not presented in writing to the Telegraph Company, (a) within ninety days after the message is filed with the Telegraph Company for transmission in the case of a message between points within the United States (except in the case of an intrastate message in Texas) or between a point in the United States on the one hand and a point in Alaska, Canada, Mexico, or St. Pierre-Miquelon Islands on the other hand, or between a point in the United States and a ship at sea or in the air, (b) within 95 days after the cause of action, if any, shall have accrued in the case of an intrastate message in Texas and (c) within 180 days after the message is filed with the Telegraph Company for transmission in the case of a message between a point in the United States and a foreign or overseas point other than the points specified above in this paragraph; provided, however, that this condition shall not apply to claims for damages or overcharges within the purview of Section 415 of the Communications Act of 1934, as amended.

7. It is agreed that in any action by the Telegraph Company to recover the tolls for any message or messages the prompt and correct transmission and delivery thereof shall be presumed, subject to rebuttal by competent evidence.

8. Special terms governing the transmission of messages according to their classes, as enumerated below, shall apply to messages in each of such respective classes in addition to all the foregoing terms.

9. No employee of the Telegraph Company is authorized to vary the foregoing.
