received during the Week £ .. : .. :

Paid during the Week £ .. : .. :

And that the Balance ... the Council was ... £ .. : .. :

The Book was signed by the Chairman.

The Clerk submitted the following Report:—

Minutes of County Council of 27 August 1901. as amended
were taken as read.

From L.G.B. No 48937. dated 28 August 1901. enclosing
a Communication re water supply of Manorunningham
and requesting to be furnished with observations
of the Council on the subject.

Consideration deferred till next meeting to be
held on 4th October.

From L.G.B. No 45238. Dated 14 August 1901
acknowledging the receipt of minutes of L Henry
R. D. Forneil of 2nd instant nominating
Mr. J. M. Walters for the position of Arbitrator
in the matter of the Letterkenny R. D. Labourers
Order 1901. and stating that the appointment
of the person to act as Arbitrator rests with
the Board. Also stating that it would be
manifestly undesirable that the Arbitrator
should be the nominee of one of the
parties to the arbitration.

The Councillors beg to inform the L.G.B.
that the minute referred to does not read
as is stated in above letter, as Mr. J. M. Walters
was merely recommended by this Council for
nomination by the L.G.B. — As the
Council of the Letterkenny Rural District had
to make a formal application to the
confirming authority for the appointment of
an Arbitrator, and knowing that said
appointment rests with the L.G.B. they
consider that they did not overstep their function
by recommending a qualified person.

The local Councillors know that Mr. Walters
of Milford has had very extensive experience
having been engaged as Valuer for the Land
Courts since 1882. and they consider that
if the L.G.B. has no other objection; that
they might give them credit for making an
independent recommendation of a
thoroughly reliable, and qualified person,
for nomination by the L.G.B. to act as
Arbitrator, he being non-resident in this
District is disinterested in Council, Owners,
Occupiers, and Labourers.

From L.G.B. No 42614 dated 3rd September 1901.
stating that the Letterkenny R. D. Labourers Order 1901,
is now absolute, and enclosing a form on
which to make application for sanction to the Board.

Application duly prepared, submitted, and
signed, and directions given to forward same
to L.G.B. with a request that Cottage No 7-A
be allowed to be erected on plot 7 as
the site marked 7A is on property recently
purchased by the Committee of Letterkenny
Lunatic Asylum.

From L.G.B. dated 3 August 1901. stating that
the account for publication of Half yearly abstracts
was charged according to the Rate of Charges
and was correct.

Special meeting

Medical officers reports on the Sanitary State of
Houses occupied by George O'Donnell of Castleshanghan
and Clark Hamilton of Ray were approved of
and the Council decided that these applications
be advertised and included in the second
scheme.

From County Surveyor dated 19th August 1901 stating that
he will inspect the sudden damage at Scribbley.

Mr. O. Callaghan Architect submitted the Plans,
Estimates, and Specifications for proposed Labourers
Cottages scheme B. which were approved of, and
directions given to have the Improvement scheme
advertised in the local papers as required by
the Act, during the prescribed period.

No of Cottages 28 single and 22 double.

Amount estimated Cost £10,000.

Copy of Plans, Specifications & Estimates for Scheme B.

The following Letters from the Local Government Board for Ireland, and others, were read, and directions given thereon, as follows:-

Compelled to have Chimney made safe.

He afterwards appeared before the Council and promised to have the work completed early next week - If this be fulfilled no summons to issue.

From L. J. B. No 45238 dated 22nd August to Presiding Chairman, re. proposed payment of £14:14:0 to the Clerk as remuneration for his Services in assisting at the selection of 50 Cottage sites & plots and requesting to be informed whether notice of motion was given of this proposal and also to furnish detailed Statement as to the duties in respect of which it is proposed to make the payment in question.

The Council beg to enclose Copy of Notice and Agenda sent to each Councillor for meeting of 2nd August, and to state in reply to second question that the Council appointed the Clerk to accompany the Committee during the selection of sites in order that the several matters requiring due and careful consideration be looked into, and that the sections of the act be complied with, also to save as far as possible the necessity of having after the inquiry is held to select alternative sites.

For these duties imposed upon the Clerk which we consider extra duties, which he willingly undertook the Council propose that he be remunerated as is stated in the Minutes of 2nd August by allowing him the sum of £14:14:0. this the Council considers very

reasonable inasmuch as it is to cover his car hire expenses as well as for extra help to attend to his office duties which he had to provide.

The Council therefore respectfully requests the sanction of the L.F.B. to said payment.

From L.F.B. No 48674 dated 29th Aug 1901. expressing sanction to payment of £2:2:0 to Clerk for attendance at Church Hill Petty Sessions during sanitary prosecution.
