 Mr. W. D. Brown proposed that the Council should be re-elected for the year ending 31st Dec. 1906.

The first vote taken was whether or not a resolution should be passed for the election of Mr. W. D. Brown for the year ending 31st Dec. 1906.
 A vote was then taken between the two candidates Mr. W. D. Brown and Mr. W. D. Brown.

however allowed him to record his vote in favour of Mr. Monologue, who then gave his casting vote in favour of the same candidate and announced Mr. Monologue Co-opted - Mr. Gallager's vote having made the voting equal.

Mr. McFinley subsequently arrived in the Boardroom and asked for his Declaration to sign it, as he understood he had been elected by a majority of the members of the Board, although he understood Mr. Gallager had thought it proper to record his vote when the result was known.

The Chairman and Mr. James Sweeney stated that the Clerk should not give Mr. McFinley a form of Declaration to sign, or if he did he would do so at his peril. Mr. Jones and Mr. Reid however held that Mr. McFinley had a clear majority of votes and was therefore entitled to his Declaration form.

The Clerk stated that when the voting was being taken he had recorded opposite Mr. Gallager's name "No vote" and that he could not afterwards, and when the result was known, record his vote and consequently believing that Mr. McFinley was the duly Co-opted member he would take his Declaration, and that if Mr. Monologue asked for a Declaration form he would also supply him and take his Declaration and let the Local Government Board decide the matter.

Mr. McFinley then signed his Declaration and claimed the seat.

The next Meeting of the Council to be held on FRIDAY, the 4th day of May 1906

It is very regrettable that the only matter of importance in the minutes of the County Council for the year ending 31st March 1909 was that the Report of the County Engineer and Surveyor was adopted. It is a pity that the County Council did not discuss the matter of the proposed improvement of the County Council's own works, and that the County Council did not discuss the matter of the proposed improvement of the County Council's own works, and that the County Council did not discuss the matter of the proposed improvement of the County Council's own works.

From the minutes of the County Council dated 14th May 1909 it is seen that the County Council has been very busy in the past few weeks in the preparation of the Budget for the year ending 31st March 1910. It is a pity that the County Council did not discuss the matter of the proposed improvement of the County Council's own works, and that the County Council did not discuss the matter of the proposed improvement of the County Council's own works.

On 27th May 1909 the County Council discussed the matter of the proposed improvement of the County Council's own works, and it was decided that the County Council should discuss the matter of the proposed improvement of the County Council's own works.

On 31st May 1909 the County Council discussed the matter of the proposed improvement of the County Council's own works, and it was decided that the County Council should discuss the matter of the proposed improvement of the County Council's own works.

The following Letters from the Local Government Board for Ireland, or others, were read, and directions given thereon, as follows:-

in Estimate and Demand for year ending 31 March 1909. Return has been forwarded.

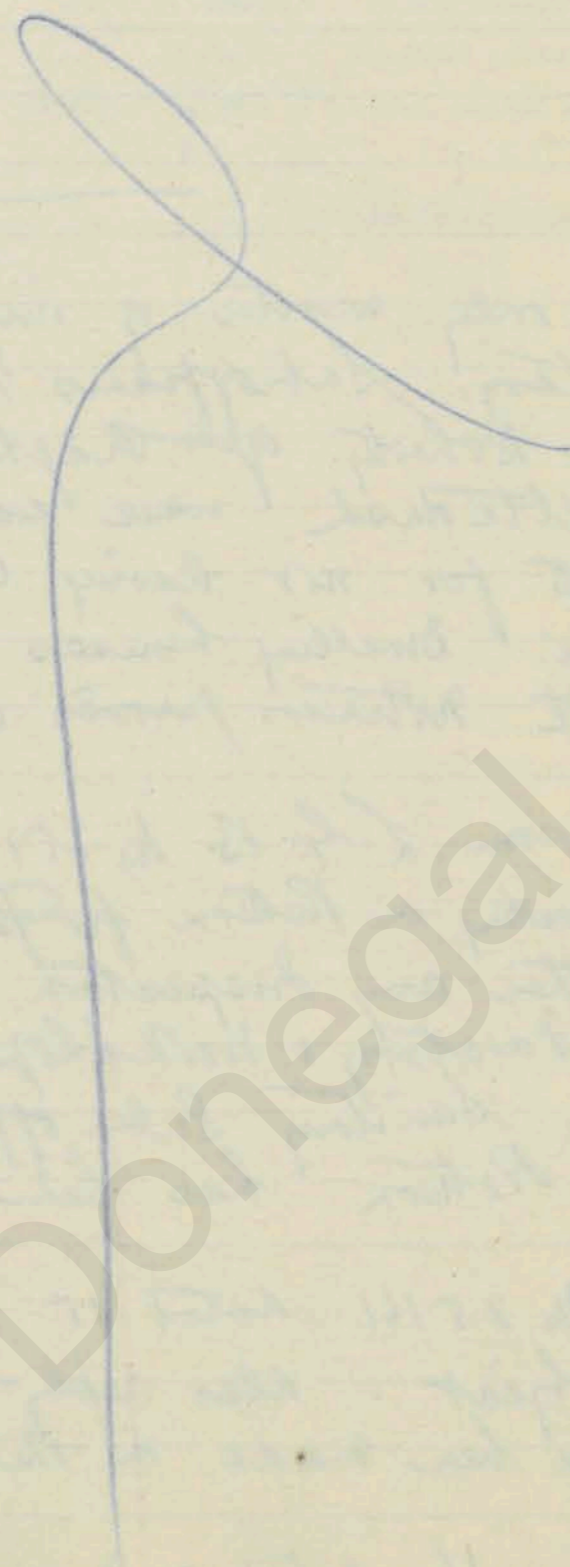

List of Works for which Bonds were approved by the County Council was submitted.
