(The plots taken are in every case to be as near to the areas specified as possible; but to be taken whether more or less than the exact quantity, so as not to cause unnecessary severances,) and further the Committee recommended the rejection of 38 of the Representations; as not being in their opinions required in the several localities.

Mr. P. W. Finley proposed that not more than three Cottages be erected in any one Division (if applied for) under this scheme; but that every labourer who occupies a cottage get an extra half acre of land as well as the Cottages about to be erected which are also to be provided with extra half acre lots, seconded by Mr. Park Gallagher.

Proposed as an amendment by Mr. J. Swamy that 5 Cottages be erected in each Division (if applied for), seconded by Mr. H. W. Menamin. On a vote being taken the motion was carried by 9 votes for and 4 against. - The motion was declared passed -

The following Letters and Reports were read, and Orders made thereon as follows:—

The Notice Convening the meeting was read. to
 consider the several Representations which were
 not dealt with on 5th April 1907—

Read letter from L. G. Board No 5501.
 dated 18 April 1907 stating that from the
 Minutes of 5th ulto it appears that 155
 Representations for Labourers Cottages
 were submitted to the Council and that
 the Council instead of dealing separately
 with each representation decided not
 to build more than three Cottages in
 any Electoral Division, and calling the
 attention of the Council to Section 6
 of the Act of 1883. and stating that
 in the Circumstances the Council
 should re-consider the various
 representations in question; before they
 proceed to make the Scheme.
 also enclosing a letter from certain Labourers.

Mr. J. J. Keenan proposed that the scheme for cottages be placed for the existing cottages and for those under scheme of which a provision has been made in the Act (Section 16) be placed in separate plots and that the applications for houses may be placed in separate plots and that the applications for houses may be placed in separate plots.

Mr. J. J. Keenan proposed that the scheme be placed in separate plots and that the applications for houses may be placed in separate plots.

Mr. J. J. Keenan proposed that the scheme be placed in separate plots and that the applications for houses may be placed in separate plots.

The Council then proceeded to recommend the whole of the applications for cottages and to recommend the whole of the applications for cottages.

estimated cost of £5600, being an average cost of £200 per cottage which is the lowest price that the Council in consultation with the Engineer considers it possible to have the houses erected for with 1/2 acre plots. owing to the increase in the prices of materials in this locality.

The Council request the Local Government Board to be so good as to return the file of Representations forwarded to the Board on 5th inst that were then not dealt with, so that Representations now included in the Scheme may be retained and the observations of the Council recorded on the remaining forms giving the Councils reasons for not entertaining them.

The Improvement Scheme together with the maps Estimates and Book of Reference will be forwarded as soon as received from the Engineer.

From L.G. Board No L5533 dated 24 April 1907. consenting to the creation of Cottages in accordance with the plans & specifications which are suitable and sanctioning a loan of £5950. being an average of £170 each for 35 cottages, the first instalment to be £1600. and that the necessary recommendation in the matter will be made to the Irish Land Commission in pursuance of Section 16 of the Land Act 1903.

estimated cost of £1000. being an average cost of £100 per acre which is the lowest price that the Council in consultation with the Finance Committee it would have to have the money spent for with the care of the Council. owing to the increase in the price of materials in the locality.

The Council request the Local Government Board to be so good as to return the file of representation forwarded to the Board in 1907 and that there be then set out with so that representation was included in the scheme may be returned and the observations of the Council recorded on the remaining forms joining the Council's reasons for not intervening in them.

The improvement scheme together with the proper estimates and book of reference will be forwarded as soon as received from the Finance Committee.

From a notice in 1907, dated 23rd April 1907, concerning the matter of cottage in connection with the plans of improvement which are available. and containing a plan of £1270. being an average of £170 per 37 cottages. the first instalment to be £1500. and that the necessary recommendations in the matter will be made to the Local Government Board in pursuance of Section 16 of the Labourers (Ireland) Act 1906.

The Rural District Council are of opinion that the amount sanctioned by the Local Government Board, is not sufficient and that it will only entail extra cost issuing a Supplemental loan for the completion of the scheme.

No 5898 dated 25 April 1909. enclosing letter from Sites Committee for the Electoral Divisions of Maykerbegh Manorcumnyham and Klu craggy. The Council have reconsidered all the Representations on the merits of each case separately.

No 59. dated 25 April 1907 stating that expenses amounting to £26.15.9 have been incurred in relation to the application of this Council for a Provisional Order under the Labourers (Ireland) Act, and requesting a Paying Order for this sum with the least possible delay. Payment to be made on first Finance day.

The Local Government Board is respectfully requested to inform this Council, whether the Conveyances for this scheme, for which the Provisional Order was issued previous to the passing of the Labourers Act of 1906 are to be prepared according to the instructions laid down in Article 54 of the Order of 1906, or in the usual way by the Solicitors of the Council as in the former schemes.
