from being difficult that he is preparing

No 118 dated 27. March 1908. Retention of Plans
 Specification and estimates proposed for the
 Rural District Council for execution
 of works under the Labourers Act; for alterations
 to be made in the bedroom, so as to contain
 two beds. Ventilation to be provided
 for each of the rooms, and an entrance to
 be provided and included in estimate.

In Mr. Belmont's opinion that the figures be
 submitted to be the plans so far as
 the enlargement of the room and the ventilation
 is concerned; but that the cost be
 provided; as there are no other works
 in the other rooms, and in a few days
 areas are not necessary. and that as soon
 as the figures are the alterations complete
 that plans Specification and estimates be
 returned to the Clerk (Mr. J. B. ...).

No 119. dated 27 March 1908. returning
 application for sanction of local government
 Board to a loan for the purpose of executing
 an improvement scheme, and pointing
 out that the item set down as "Other
 Expenses" should be capable of reduction
 by about one-half, having regard to the
 provisions contained in the Labourers
 (Ireland) Order of 1906 for simplifying the
 procedure for making title to lands,
 and for generally lessening the expenses
 incidental to the carrying out of
 Improvement Schemes under the acts.

The Council having again carefully
 considered the sums set opposite the
 item of "Other Expenses" cannot see their
 way to further reduce the figure set-
 down: seeing that Specially Sanctioned
 fees are allowed to the Surveyor and
 Solicitor, and if the whole of the money
 is not required it need not be
 applied for; but the Council are of
 opinion that if the loan is further
 reduced, it will only necessitate
 an application being made for
 a Supplemental loan which will
 only incur additional cost, and
 unnecessary delay. The Council
 therefore trusts the L. G. Board will not
 any further withhold their sanction to
 the loan as applied for. viz £11,790.
 Application for sanction herewith.

No 122. dated 27 March 1908. relative
 to the loan of £5950. sanctioned for the purpose
 of carrying out the improvement scheme
 authorised by the order of 1906. pointing
 out that this loan was sanctioned and
 the first instalment thereof issued nearly
 12 months ago, and requesting to be informed
 what progress has been made with the
 execution of the scheme.

1. That the land shall be conveyed to the Council free of all charges and expenses.
2. That the land shall be used for the purpose of erecting a school for the children of the labourers in the town of ...
3. That the Council shall be responsible for the construction and maintenance of the school.
4. That the Council shall be responsible for the payment of the salaries of the teachers and other expenses of the school.
5. That the Council shall be responsible for the payment of the interest on any loan raised for the purpose of erecting the school.
6. That the Council shall be responsible for the payment of the interest on any loan raised for the purpose of maintaining the school.
7. That the Council shall be responsible for the payment of the interest on any loan raised for the purpose of purchasing the land.
8. That the Council shall be responsible for the payment of the interest on any loan raised for the purpose of purchasing the land.
9. That the Council shall be responsible for the payment of the interest on any loan raised for the purpose of purchasing the land.
10. That the Council shall be responsible for the payment of the interest on any loan raised for the purpose of purchasing the land.

The particulars indicated by the headings of the enclosed forms B. shown at the same time be furnished to the Board in relation to this case.

The Clerk stated that the Solicitor had not yet informed him of the sites for which he had completed the Conveyances and consequently no money had been paid for lands. The only payments made being for other expenses, advertising and Clerical work, which only amounted to a very small amount.

The Clerk was directed to send the Councils Solicitor a copy of the letter from L.J.S.

Mr J.S. Lecky proposed that the Solicitor be requested to forward without further delay the titles as far as he has them completed, so that tenders may be invited for the building of Cottages on said plots, and payments made for the land to the parties interested, at the next monthly meeting of the Council, as the Councillors were being blamed by the labourers for delaying the scheme, which was really not the case. Resolved by Mr J.M. Dermott and passed.

No 3242. dated 10th March 1908 appointing Mr George Newson F.S.I. of Donaghadee Lecturer as arbitrator in the matter of Scheme D. under the Labourers Act. Also sealed order making appointment.

LABOURERS (IRELAND) ACTS, 1883 to 1886.

MINUTES of Proceedings of the Rural District Council, at a Meeting held on FRIDAY,

the _____ day of _____ 1908
Present—In the Chair, _____
Other Members—Messrs. _____

The following Letters and Reports were read, and Orders made thereon as follows:—

The Clerk stated that he has received a copy of arbitrator's award in relation to a letter from Mr. Hanson. He stated in a letter that the arbitrator has been looking with the local government (land) and the award was read over. The price allowed therein were considered much below what the Council consider fair and reasonable.

The Clerk stated that he has been instructed from the local owners to all parties interested.

Because of the parties' protest against the price, the Clerk stated that they would not allow their lands to be included in such a way, and absolutely refuse to make any title of the plot unless they be fairly remunerated for the same.

From Robert Patterson Drumphell dated 12 June 08 stating that in reply to notice of 28th inst. he begs to say that he disputes the power of the arbitrator to fix the award in his case and will not acknowledge same until compelled to do so by law. He refers to the award in Manor Cunninghamham No. 134 Area 2 roads. Landlord Sam Sanderson Tenant Robt Patterson.

In further support of above protest Mr. Patterson appeared before the Council and stated that as the Committee had fixed the price with him which was approved of by the Council the Arbitrator had no power to fix or interfere in his case. and furthermore stated that at the price allowed in said award if his whole farm was taken for cottages or anything else he would lose £200. by said sale. The whole holding consists of 11 acres and 30 perches Statute including County roads, lanes & fences. and the purchase money which he paid the said Commission a few years ago was £360. which averages 3 1/6 per Statute acre Rent.

In Scheme A. Mr. Stewart the Arbitrator allowed him exactly what he had paid and no more, and also allowed exactly the reduction of the rent in proportion. namely £21.5.0. with £3. Compensation for damage = Total £24.5.0 - and allowed an abatement of the rent of 15/9 for the 1/2 acre. He also allowed the Owner £15.15.0 to compensate him for said loss of rent.

In the present case Mr. Hanson allows him £16.0.0 and the Owner £8.0.0. the Purchase money to be ~~statute~~ reduced by said £8. which award is most unreasonable and unjust.

The Council unanimously request that the amounts fixed by the Committee be adhered to.
