valuation

The local authority will require a valuation of and certain other information about the property you wish to buy. The valuation report, of which you will obtain a copy, is designed especially for the needs of the local authority to help us decide if the property represents adequate security for the loan you require. The valuation report will be based on a limited inspection and is not intended to be a structural survey nor a condition report. It is important that you should not rely in anyway on the valuation report. It is possible that there are defects in the property which are not reported but which a more detailed inspection would reveal. This means that the valuation report may not make you aware of defects which could affect your decision to buy. The local authority recommends that you obtain a more comprehensive report or structural survey.

There is a standard mortgage protection insurance scheme which is compulsory with local authority house purchase loans. The cost of mortgage protection insurance which covers both death and permanent disability will be added to your monthly mortgage repayments

Property Insurance It is a condition on all loans that property insurance is effected before the loan cheque issues.

signature & declaration

I/We understand that if, contrary to the **the local authority** recommendation, I/We do not request or obtain an independent structural survey for my/our own purposes I/We run the risk that the property may suffer from serious defects which are not mentioned in the Valuation Report and that the report may be defective, or may be inadequate for my/our purposes. I/We further understand that should the local authority grant a loan this does not signify an assurance or guarantee that the property is soundly constructed and free from defects. I/We note that if I/We are approved by the local authority for a loan that at any time before the completion of the mortgage transaction the local authority has the right to withdraw or vary the approval.
