**THE LOCAL IMPROVEMENTS SCHEME APPLIES TO
NON-PUBLIC ACCOMMODATION ROADS
(FARM ROADS AND CERTAIN ROADS SERVING THE PUBLIC*)
AND BOG ROADS**

*This refers to a road of the kind which although not a public road may connect two public roads or give access to beach or commonage and so serve the local agricultural community.

PART II - TERMS AND CONDITIONS

- (1) THE WORK MUST BENEFIT TWO OR MORE PARCELS OF FARM LAND OWNED OR OCCUPIED BY DIFFERENT PERSONS, OR IN RELATION TO RIGHTS OF TURBARY ETC., SERVE TWO OR MORE PERSONS ENTITLED TO SUCH RIGHTS.
- (2) The work must be strictly necessary and not merely ordinary maintenance of the kind, which the applicants could reasonably be expected to do for themselves.
- (3) The applicants must make the necessary apportionment amongst themselves of the respective portions of the joint contributions and must arrange to collect the agreed amount and lodge with the Donegal County Council before the work is put in hands.
- (4) Contributions in kind e.g. free labour or materials will not be accepted in lieu of cash. Applications will be paid reasonable prices for any road metal or other materials that may be required from them. All materials forming part of a bridge or other structure will be available for use, if necessary and without charge in connection with the execution of the work including entry to their lands, etc.
- (5) The applicants must arrange amongst themselves for the provision without cost to the Donegal County Council for any lands which may be required for the construction or widening of the roadway or drain as the case may be.
- (6) The Donegal County Council will employ the necessary labour and will arrange to carry out the work subject to the conditions that the (i) Ganger in charge of the work will be appointed by the Council or their Agent (ii) No person whether a contributor or not, whose interests are affected will impede the execution of the work by making unreasonable demands on the Ganger or other officials in charge; (iii) Road metal and other materials can be obtained from the applicants or other local sources at reasonable prices and (iv) Workers and Plant can be secured at the standard rate of payment. Failing the fulfilment of any of these conditions, the work would not be put in hands and if already started would be closed down and any unexpended portion of the applicant's contribution returned to them through their representative.
- (7) The payment of a contribution by the applicants will not constitute a claim to employment on the work whether as Gangers or otherwise.

- (8) The Donegal County Council in their discretion will decide on the specification of the work to be done and on the best manner of carrying it out and the applicants shall not have any claims against the County Council for any imperfection which may exist in the finished work nor for any failure to complete the full amount envisaged.
- (9) The Donegal County Council will expend upon the work the sum agreed upon (i.e. the estimated cost) and in the event of that sum not being sufficient to complete the entire work specified the Donegal County Council will not have any liability to be bound to expend on the work for its completion any sum in addition to the agreed sum. But the making of a supplementary grant will be considered on merit if the applicants so request and agree to pay such sum as may be required by way of additional local contributions.
- (10) WHEN THE WORK HAS BEEN CARRIED OUT THE APPLICANTS SHALL MAINTAIN IT IN GOOD ORDER AND REPAIR AT THEIR OWN EXPENSE AND THE DONEGAL COUNTY COUNCIL WILL NOT HAVE ANY LIABILITY FOR THE MAINTENANCE OF THE WORK.
- (11) The contributors and any other persons whose lands or interest appear to be affected by the proposed work must, when required, prior to the commencement of the work, sign the prescribed form giving their full consent to the execution of the work including entry into their land, etc.
