How to lighten your General Waste Bin

Before you bin anything check to see if its **compostable** or **recyclable**. Your waste collector can provide a current list of acceptable items for each waste stream.

Remove any **water or liquid** from the item so it is as light as possible

Keep **glass** out and bring it to your bottle bank

Building rubble e.g. tiles, concrete or plasterboard, timber or metal may be accepted for a small charge at your local Civic Amenity Site

How to lighten your Recycling Bin

Leaving packaging in the shop if allowed. e.g. shoe boxes.

To reduce weight ensure that used food containers are clean and dry

Choose goods in refillable packaging such as detergents & coffee

Look for goods with less packaging

Follow the list of recyclable materials accepted by your waste collection company (they will provide you with a list)

Invest in a refillable water bottle, coffee cup & lunch box to reduce waste when you are on the move

Look out for compostable & recycling symbols on packaging

Place a NO JUNK MAIL sticker on your letter box

How to lighten your Food Waste Bin

You could compost the uncooked vegetable waste instead of placing it in the food waste brown bin

Keep all dairy products in the fridge to preserve them as long as possible.

When shopping try to make a list of what you need and stick to it!

Make sure fruit and veg is stored correctly so you get time to eat it.

Check the use-by date before purchasing to ensure you will have time to eat it before it goes out of date.

*Use up leftovers to make another recipe, or as tomorrow's lunch!

* Note: Food safety guidance should be followed when storing and preparing food

You can also compost grass cuttings and plant waste at home. For more go to www.stopfoodwaste.ie www.brownbin.ie
