Michael Rowsome, S.S.O. Motor Tax/Corporate

APOLOGIES: Eamonn Brown - Area Manager, Housing & Corporate

GMD 66/19 VOTES OF SYMPATHY

A vote of sympathy was passed in respect of the late Cllr. Manus (Mandy) Kelly and former Councillor Fred Coll.

A minutes silence in their memory was observed by all in attendance.

GMD 67/19 ADJOURNMENT OF MEETING

On the proposal of Cllr. Gallagher, seconded by Cllr. McClafferty, it was agreed that the meeting would adjourn for 30 minutes.
On the proposal of Cllr. Gallagher, seconded by Cllr. McGarvey, the minutes of the meeting of Glenties Municipal District Committee held on 7th of May 2019 were confirmed.

On the proposal of Cllr. McGarvey, seconded by Cllr. Gallagher, the minutes of the Glenties Municipal District AGM held on the 14th of June 2019 were confirmed.

The Committee noted the reports from the Workshop held on the 7th May 2019 in relation to:

(i) Burtonport Harbour Redevelopment
(ii) Fintown Village Renewal
(iii) Takeover of Non-County Roads
(iv) Community Involvement Scheme

The Community Development Administrative Officer made a detailed presentation to the Committee outlining the areas of responsibility in the Community Development division and updated Members on the status of the following work programmes:

- ASCENT Project
- Walks and Trails
- Donegal Youth Council
- Age Friendly Strategy
- National Older Persons Convention
- Donegal Choir of Ages - Ceol le Chéile
• Pride of Place
• YOURS Project
• Community Enhancement
• Irish Language Department – Rannóg na Gaeilge

Cllr. McGarvey commended the success of the ASCENT Project and also the Dungloe Community Network Group on the occasion of their selection to proceed to the next round of the Pride of Place 2019 Competition. Cllr. McClafferty stressed the importance of helicopter landing points in difficult terrain to facilitate any medical emergencies.

71.1 Altán Tower

Cllr. Mac Giolla Easbuig requested that the preservation and development of Loch Altán Tower be expedited to avoid this amenity falling into total dereliction.

71.2 Letterkenny-Burtonport Greenway

Cllr. Gallagher expressed disappointment at the lack of progress with this priority project and queried the commitment of the Council to expediting advancement of this potentially transformative Greenway.

Cllr. Ó Fearraigh and Cllr. Mac Giolla Easbuig requested preservation of the Creeslough viaducts within this Greenway Scheme.

In response to a recommendation from Cllr. McClafferty to incorporate Cable Cars into the Greenway Project, the Director advised of challenging environmental constraints in Special Areas of Conservation.

The Director also undertook to liaise with the Human Resources Department regarding the appointment of an engineering resource to advance the Greenway Project.
71.3

**Donegal Connect**

The Gaeltacht Tourism Officer informed Members that the ‘Donegal Connect’ initiative aims to:

- Attract the Donegal Diaspora back to the County for a 10 day celebration during the period from 27th September to 6th October

- Communicate to the Diaspora that the County has employment, quality of life, business and investment opportunities.

- Cover events focused on culture, heritage, sport, music and genealogy.

- Convene workshops and networking events to promote employment and business development opportunities, career and educational advancement.

Members were informed of accommodation and travel discounts that will be available during the ‘Donegal Connect’ initiative.

The Committee commended the presentation and stressed the importance of the Planning Service in facilitating potential investors and returning emigrants.
72.1 **Green School Awards**

The Committee noted the report from the Waste Awareness Officer regarding the Green Schools Programme awards ceremony in Letterkenny.

72.2 **Rosses Anti-Litter Campaign**

Members welcomed the report from the Waste Awareness Officer regarding the support of tidy town groups in the Rosses for the "Drive it Home" anti-litter campaign.

Cllr. Gallagher commended Council participation in this campaign and welcomed the visit of local schools to the Dungloe PSC to launch the campaign.

72.3 **Anti-Dumping Initiative**

Members discussed the report circulated with the Agenda from the Waste Awareness Officer in relation to the 2019 Anti Dumping Initiative. The focus of this initiative is on prevention, abatement, education and enforcement and a public awareness campaign in this regard will consist of radio advertising, press releases and social media content.

Cllr. Mac Giolla Easbuig highlighted illegal dumping in the Glenhola Glassagh areas.

Cllr. Molloy also highlighted serious issues of illegal dumping in the Glengesh area.

The Coastal Officer undertook to follow up with the Litter Wardens in respect of these reports of illegal dumping.
72.4 Waste Presentation Bye-Laws

In a report circulated with the Agenda, Members were informed that:

- The Waste Prevention Bye-Laws for Donegal are currently being drafted.
- A Presentation will be made to the next Strategic Policy Committee in July 2019.
- Draft Bye-laws will be available for public consultation.
- Submissions will be considered and evaluated.
- A presentation will be made to the elected Members for consideration and/or adoption.

Cllr. Mac Giolla Easbuig suggested that the Council consider the abandonment of the privatisation model of waste collection.

In response to Cllr. Gallagher's, concerns regarding the inability of householders who share bin collection to produce receipts for their service, the Director advised Members that the Council are subject to compliance with legislation and that a report will be brought to Plenary Council in this regard.

72.5 Bring Banks

Cllr. Gallagher asked the Environment Service to investigate the reluctance of Communities to request the location of bring bank centres in their areas and asked the Council to consider the provision of screens to improve site aesthetics at these sites.

Cllr. Mac Giolla Easbuig requested the Council to provide paper and cardboard recycling options at bring bank centres and to increase the number of recycling options throughout the Municipal District.
Cllr. McClafferty requested the Council to increase the supply of litter bins and to increase the rate of bin emptying in the Falcarragh area.

72.6 Public Conveniences

The Committee discussed the reports on public conveniences circulated with the Agenda and presented by the Coastal Officer. Members welcomed (i) the provision of seasonal portaloo toilets throughout the County during the summer season at beach and coastal locations, (ii) granting of planning permission for Public Convenience development on Inishbofin.

Cllr. Gallagher commended community involvement in the success of the newly refurbished public toilets in Dungloe.

Cllr. Mac Giolla Easbuig requested the Council to expedite the upgrade of toilets on Arranmore.

72.7 Coastal/Water Safety

In reports circulated with the Agenda from the Coastal Officer, Members were updated on:

- Beach Lifeguard Service
- Beach Maintenance Works
- Provision of Beach Wheelchairs
- Clean Coast Programme

In response to queries from Cllr. Mac Giolla Easbuig, the Coastal Officer advised that (i) the lifeguard frame station on Carrickfinn Beach is a pilot programme to preserve the sand dunes (ii) the Carrickfinn Beach road is in private ownership and that the NPWS are not in favour of works in an SAC/SPA, (iii) the Council will apply to Irish Water for the provision of a water tap at Carrickfinn beach to assist beach users and water sport enthusiasts.
In response to a query from Cllr. Gallagher, the Coastal Officer updated Members on the status of the coastal protection study tender process.

72.8 Falcarragh Water Disruption

Cllr. McClafferty and Cllr. Mac Giolla Easbuig expressed dissatisfaction with ongoing pipe bursts and water supply disruption in the Falcarragh, Gortahork and Meenderry areas. The Director of the Water Service undertook to liaise with Irish Water in this regard and to inform this body of Members concerns and issues in respect of water service provision.

72.9 Rural Water

The Committee discussed the report from the Project Engineer, circulated previously regarding the establishment of a dedicated team to progress the takeover of group water schemes by Irish Water. Cllr. Gallagher informed the meeting of water supply deficiencies in the Doochary, Fintown, Meenatotten areas and Cllr. Mac Giolla Easbuig highlighted similar concerns in the Meenaboll area of Dunlewey.

The Director advised Members that he will arrange for relevant officials to make a presentation at a future Municipal District Meeting to keep Members abreast of developments in relation to the group water scheme takeover project.

72.10 Dungloe Treatment Plant

Cllr. Gallagher highlighted the foul odour emanating from the vicinity of the Dungloe treatment plant during certain weather conditions and the absence of trees, noise and odour buffers as previously promised. Cllr. Gallagher
requested the Council to identify a point of contact that the public and Councillors could liaise with in this regard as a matter of urgency.

72.11 Changing Places Campaign

In response to a request from Cllr. Mac Giolla Easbuig, the Coastal Officer informed the Committee that the appointment of a Disability Officer will enable the scheduling of a presentation to promote the Inclusion Ireland – changing places campaign.

72.12 Fire Hydrant

Cllr. McClafferty requested the provision of a fire hydrant in Meenaboll, Dunlewey, and the Director undertook to follow up on this matter with Irish Water.

GMD 73/19 ROADS AND TRANSPORTATION

73.1 Roadworks Programme

Members noted the reports circulated with the agenda and presented by the Roads Manager in relation to the status of the Roadworks programme in each of the 4 Road Overseer areas.

In response to a request from Cllr. Mac Giolla Easbuig, the Roads Manager agreed to follow up in relation to lowering of manholes in Meenaleck. Cllr. McClafferty requested the Council to publicise the responsibility of landowners in relation to their hedgecutting responsibilities. The Roads Manager informed the Committee that the Roads Service carry out hedgecutting works on safety grounds & on commonages. Members were also advised that the Council promote a media campaign to highlight the
necessity for landowners to carry out hedgecutting operations.

73.2  
**Ranafast Road**

Cllr. Mac Giolla Easbuig expressed disappointment that the Minister of Transport, Tourism and Sport has not responded to a request to meet with a deputation from the Council in relation to funding necessary works on the Ranafast Road & requested the Council to remain proactive in this regard.

73.3  
**Fintown Junction**

Cllr. Ó Fearraigh and Cllr. Gallagher expressed concern at the number of serious accidents occurring at the R250/R252 Junction in Fintown. The Committee requested the immediate erection of warning signage and the carrying out of urgent safety works. The Roads Manager advised of ongoing Road design work at this locus.

73.4  
**N56 – Dungloe**

Cllr. Gallagher expressed concern at the scheduling of works during peak tourism season in West Donegal and outlined her disappointment at the failure to include the provision of an additional stretch of footpath in conjunction with ongoing roadworks. The Roads Manager outlined the suitability of this project for submission for funding under the Community Involvement Scheme.
Development Applications

The Committee noted the report circulated with the Agenda in relation to the status of planning applications at the end of May 2019.

Enforcement

Members noted the report circulated previously.

Planning Clinics

Members welcomed the scheduling of planning clinics on 10th July, 24th July, 7th August and 21st August.

Central Planning Unit

The Executive Planner updated the Committee in relation to proposed variations to the County Development Plan 2018 - 2024 in respect of Wind Energy and the Donegal Ten T Priority Route Improvement Project.

Planning Objections

Cllr. McClafferty requested an increase in the fee levied on objectors to planning applications to discourage and filter out 'bogus' objectors and to reduce the workload on Planners.

Cllr. Mac Giolla Easbuig stated that the impact of any increase in relation to the current €20 fee would
discriminate against less well off members of the community.

The Executive Planner informed the meeting that the Council have to adhere to the current Planning & Development Acts and that any member of the public has the right to make an objection on payment of a €20 fee and clarified that changes to primary legislation would be required to alter the current process.

**GMD 75/19**

**HOUSING AND CORPORATE SERVICES**

**75.1 Social Housing Programme**

In a report circulated with the Agenda, the Committee were updated in relation to the current status of:
(a) Housing Grants
(b) Housing Adaptation Grants
(c) Mobility Aid Grants

**75.2 Casual Vacancies**

The Committee noted the report circulated with the Agenda and presented by the Housing SSO regarding the current status of 14 no. casual vacancies as at the 2nd July 2019.

**75.3 Housing Capital Update**

Members welcomed the report circulated with the Agenda regarding the status of Construction Schemes, Housing Acquisitions, Turnkey Acquisitions and Approved Housing Body Developments in the Municipal District.
Corporate Services

Members unanimously agreed to (i) re-schedule the next Municipal District meeting to the 18th of September 2019 commencing at 9 a.m. and (2) convene a Workshop at 10 a.m. on the 18th of September 2019 to be attended by elected representatives only.

THIS CONCLUDED THE BUSINESS OF THE MEETING.
Members present: Cllr. John Sheamais Ó Fearraigh  
Cllr. Marie Therese Gallagher  
Cllr. Anthony Molloy  
Cllr. Michéal Choilm Mac Giolla Easbuig  
Cllr. Michael McClafferty  
Cllr. Noreen McGarvey

Officials present: Michael McGarvey - Director Water & Environment Service  
Clodhna Campbell - SEE, Roads  
Brendan McFadden - SEE, Roads Manager  
Michael Rowsome - SSO Housing & Corporate Services

Apology: Eamonn Brown - Housing & Corporate Manager

1. **Fintown Village Renewal**

Clodhna Campbell, SEE, updated the Committee on the public consultation event held in Fintown regarding proposals for the future regeneration of the village on receipt of appropriate funding.

2. **Burtonport Harbour Redevelopment**

Clodhna Campbell, SEE, made a detailed presentation to the Committee detailing progress of the project to date and the programme of works that will be carried out in 3 phases subject to receipt of funding.

Members were advised that Phase 1 (consisting of demolition of buildings, new parking, footpaths, open
space and road related works) is ready to proceed to Part 8 Planning at the July Plenary Council Meeting.

The Committee were advised of submissions and objections received during the planning process.

This concluded the Business of the Workshop.

New tenancies created in 2019: **18**

### 3. Approved Housing Body (AHB) Update

**Dungloe Group Scheme**

Parents and Friends have retendered the 3 x 5 bed properties using the appointed architects Rhatigans. These tenders have been returned and a tender report is currently being prepared.

**RESPOND!**

Planning permission was approved for the re-purposing of the ground floor on the 18th July 2019. The new layout will see the creating of 8 new individual apartments. The time line for construction is 7th February to 17th July 2020.
CLUID COIS LOCHA

Proposal have been finalised by Clúid for the conversion of the HSE units into 12 standard housing units including 5 x 2 beds and 7 x 1 beds. They are currently discussing budget options with Donegal County Council and the Dept. Housing with an approx. project cost of €1.4 million. It is anticipated work will begin in April 2020 for an 8 month period.
Housing Capital Update Report
Glenties Municipal District Meeting

18th September 2019

1. Social Housing Developments – Construction Schemes

Donegal County Council is currently progressing the following Social Housing developments within the Glenties Municipal District:

<table>
<thead>
<tr>
<th>Location</th>
<th>Status</th>
<th>No. of Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dunfanaghy</td>
<td>Part VIII Public Consultation complete. Tender documents are now underway.</td>
<td>4</td>
</tr>
<tr>
<td>Sub Total</td>
<td></td>
<td>4</td>
</tr>
<tr>
<td>Overall Total</td>
<td></td>
<td>4</td>
</tr>
</tbody>
</table>

In tandem with the above construction programme, the Council is actively pursuing the acquisition of lands suitable for housing purposes, in towns and villages where there is currently not a social housing solution available. In this regard, the Council has identified suitable lands in Dungloe which are currently at contract land conveyance stage.

2. House Acquisition Programme

Donegal County Council has acquired, or is in the process of acquiring, properties under the House Acquisition Programme. In the Glenties Municipal District during 2018-2019 a total of 10 properties were purchased under this programme. Additionally there are 23 property acquisitions currently in progress, with further acquisitions planned.

Improvement works are carried out to previously owned acquired properties to provide high quality, sustainable homes to individuals and families throughout the county.
3. Social Housing through Turnkey Acquisition

Donegal County Council initiated a turnkey acquisition public procurement process in early 2018 seeking to acquire social housing through turnkey acquisition developments. A competitive dialogue procurement process is being utilised enabling the Council to negotiate on all aspects of proposed projects including design, cost and delivery timescale. This process requested submissions for a total of 17 towns across the county with the aim of obtaining accelerated delivery of social housing. Proposals were sought from Developers in a position to deliver (i) completed units, (ii) units under construction and (iii) units to be constructed on suitable sites, within a reasonable timescale.

The Council received a significant response to this process. Submitted proposals have been assessed at appropriate stages and remaining valid proposals are being worked through for the following towns in Glenties Municipal District:

Gweedore       Falcarragh

It should be noted that multiple submissions have been received from some towns and the Council is continuing to dialogue with developers in relation to valid submissions in the above towns with the aim of progressing these turnkey proposals to approval stage.

<tbody>
<tr>
<td>Project Description/Activity</td>
<td>Intergenerational Project</td>
</tr>
</tbody>
</table>

The Youth Council met with the Older People’s Council to explore the possibility of working together on projects. Both groups worked together to devise a common theme to work on. It was all about traditions of both generations and both groups said of how much they enjoyed learning how both live. After attending brainstorming event with the YOURS project they shared ideas on the different programmes that they will be involved in over the next year. They had a huge involvement in the National Older persons networking event in Donegal town where they were involved in different workshops.

### Comhairle Networking Event – Sligo

Four youth councillors attended the annual networking event in the Glasshouse Hotel in Sligo during their Easter break. Young people from Cavan, Leitrim, Galway, Mayo, Roscommon and Donegal were all in attendance on the day. The Comhairle members are given the opportunity to network with each other and discuss what happens within each Comhairle.

### Ombudsman for Children
DYC attended an information event in the Ombudsman for Children’s office in Dublin and also linked in with the Monaghan Comhairle. Here they were able to share their concerns about the lack of Mental Health Services in Donegal and the length of time is take to get seen by a professional in this field. They also learned about the rights of the child and the format that is followed when making a complaint.

**Road Safety Working Group**
This area is close to the heart of the DYC members as they have been directly affect. They have been working alongside they Road Safety Working group to promote safe driving. They have attended events such as; Ulster matches where they handed out merchandise and displayed a jersey at half time to promote the “live to play” campaign. They attended the launch of the rally and handed out high vis jackets.

**Relationship and Sexual Education**
This was one of their topics chosen at agenda day. The attended the Relationship and Sexual Education Reform workshop in the Department of Children and Youth Affairs office Dublin. Here they shared their concerns and what changes they feel that need to be made.
One area they want to highlight is emergency period pack for girls in schools in both secondary and primary education.

**Wellbeing**
DYC members attended they Mental Health reform in the Radisson Blu Hotel Letterkenny to express their concerns about the Mental Health services available to Young people in Donegal as this is another topic from agenda day. They completed a work shop and feedback the information to the organisers and services involved.

**Municipal District:** All

**Project Description / Activity**

**Environmental Awareness**

Do you have a project or initiative that could help your community to be become more sustainable or increase awareness of environmental issues locally?

If so, you may qualify for financial assistance from the Community Environment Action Fund. This Fund, previously known as the Local Agenda 21 (LA21) Environmental Partnership Fund, promotes sustainable development by assisting small scale, non-profit environmental projects at local level.

**Does Your Project Qualify?**

Projects should focus on environmental actions and awareness which complement national environmental policies such as those on waste, biodiversity, water conservation and climate change. Projects which focus on climate and/or biodiversity will be prioritised under the 2019 Fund.

A wide variety of projects and schemes have been supported under the Fund in previous years, including community gardens and allotments, compost schemes, rainwater harvesting, biodiversity projects, waste reduction initiatives and educational initiatives. Lists of previously funded projects can be viewed at: http://dccae.gov.ie/en-ie/environment

**How to Apply**

Applications are made directly to Donegal County Council for the attention of Suzanne Bogan, Waste Awareness Officer, Donegal County Council, Neil T Blaney Road, Letterkenny or by email: suzannebogan@donegalcoco.ie no later than 5pm, 27 September 2019.

**Contact Person**

For further information contact Suzanne Bogan, Waste Awareness Officer, Donegal County Council email: suzannebogan@donegalcoco.ie or phone 074 9153900.

<td><strong>Project Description/ Activity</strong></td>
<td>The Greening of the Mary of Dungloe Arts Festival was introduced as part of Dungloe Going Green. A number of new environmental initiatives were introduced, including an increased focus on recycling and everyone attending the festival was encouraged to make a conscious effort to be more responsible with their waste and to reuse and recycle. A Dungloe Going Green Charter for vendors and stallholders was also designed for the festival. As part of the festival programme there was a Clean Coasts workshop titled &quot;Giving Voice to our Coasts&quot; was planned and very well attended. During the workshop there was a screening of the Rip Tide Movement web series videos.</td>

### Clean Coasts’ - Big Beach Clean 2019

**Project Description /Activity**

Clean Coasts’ Big Beach Clean is taking place in County Donegal on the weekend of the 20th to the 22nd of September and all over Ireland.

Each year millions of tonnes of marine litter enter our seas and oceans, resulting in environmental, economic, health and aesthetic challenges. Clean Coasts are inviting volunteers to join this global coastal clean-up helping remove marine litter from our beautiful coastline and in turn protecting our coastal habitats and marine life.

During the Big Beach Clean, Clean Coasts volunteers are asked to carry out marine litter surveys to quantify the amount and types of litter on Irish beaches. These surveys are aimed at heightening awareness about the issue of marine litter and serve as an indicator of the magnitude of the problem.

For more information contact: An Taisce at 01 4002210.

**Contact Person**

David Friel, Coastal Officer  
david.friel@donegalcoco.ie

---

### An Taisce Inspections

**Project Description /Activity**

An Taisce has completed its inspections of our Blue Flag beaches, Blue Flag marinas and Green Coast beaches for compliance.

Greencastle and Rathmullan Marinas achieved full compliance with the stringent criteria. This was quite an achievement especially as this was the first year for Rathmullan Marina to receive the accolade.

Narin and Carrickfinn Blue Flag beaches received full Compliance. All other beaches had only minor non-compliances with all receiving praise. This is a reflection of the commitment by Water Sampling, Waste Management and Recycling, Water safety, Environmental Education, Lifeguarding and general maintenance and management by all involved.

### Activity / Project Title
<table>
<thead>
<tr>
<th>Bathing Water Quality</th>
</tr>
</thead>
</table>

### Project Description / Activity
Donegal County Council in conjunction with Environmental Protection Agency (EPA) and An Taisce monitors and reviews twenty-one Bathing Waters dispersed throughout the county. Eleven of these waters have Blue Flag status and four also have Green Coast awards.

As a result of heavy and persistent rainfall on occasion over the Bathing Season, it has been necessary for Donegal County Council to issue a number of Prior Warning Notices, at various beaches across the county, in order to advise bathers of the likely increase in bacterial levels due to rainfall in the catchment. These notices are intended to safeguard the health of all bathers and recreational users of the bathing water. When the weather events (termed Short Term Pollution events) have been shown by sampling & analysis to have had a significant impact in terms of elevated bacterial levels, it is then necessary to issue a temporary Bathing Prohibition Notice, which stays in place until such time as monitoring results confirm that the weather event and its potential impact on health has passed. This is standard practice across the country and permits local authorities to, not only safeguard public health, but also discount one-off weather related short term pollution events when evaluating the overall water quality of a bathing water.

Donegal County Council recommends that the bathers and recreational users regularly consult notice boards at beaches and social media outlets such as the Council’s facebook & twitter, as well as www.beaches.ie for the most up to date information, throughout the Bathing Season.

<tr>
<th>Bathing Season</th>
</tr>
</thead>
</table>

### Project Description / Activity
The summer bathing season is coming to an end across the county’s numerous beaches. It has been a very busy season at our 21 Designated Bathing Areas (including the 11 Blue Flag and 4 Green Coast beaches) with the good weather drawing large crowds to the coast. The 14 lifeguarded beaches saw the treatment of jellyfish stings, minor injuries and several rescues. This year, the Lifeguarding service will be extended in to the second weekend of September, where Lifeguards remain available for service.

CATCHMENT FLOOD RISK ASSESSMENT & MANAGEMENT (CFRAM) UNIT

Municipal District: Glenties

<table>
<thead>
<tr>
<th>Activity / Project Title</th>
<th>Donegal Bundle 1 – Flood Relief Schemes – Glenties</th>
</tr>
</thead>
</table>
| Project Description/Activity | In May 2018, Minister of State at the Department of Public Expenditure and Reform, Kevin Moran, T.D. launched 29 Flood Risk Management Plans for all the main river basins identifying an initial total of 118 flood relief projects to protect the main flood risk areas throughout the country. This number increased to 119 with the addition of the Burnfoot project following a cost review after the 2017 floods. These Plans and projects are a key part of the overall flood risk management strategy set out in the National Development Plan 2017 - 2028 involving total investment of almost €1 billion over the ten year time frame of that Plan. As it is not possible to implement all of the 119 projects at the one time, a total of 57 projects have been prioritised, following discussions with Local Authorities, for the initial tranche of investment and delivery based on the level of risk and number of properties to be protected.

The Glenties Flood Relief Scheme (FRS) has been identified as a priority scheme to be delivered in the first tranche of spending during the OPW’s ten year Plan. Donegal County Council, working in conjunction with the OPW, are currently preparing a design brief (tender expected to be Q3 2019) for the Glenties FRS to be delivered by a consultant on the OPW’s existing consultancy framework. Once a consultant is appointed, the process will progress through five stages of delivery as follows:

- Stage I - Scheme Development and Design
- Stage II – Planning
- Stage III - Detailed Construction Design and Tender
- Stage IV – Construction
- Stage V – Handover of Works

Each one of these stages will require adequate time to complete. This will be necessary to ensure a robust sustainable solution is designed and delivered on site. Stage II for example will include periods of exhibition/consultation which are set by statute and Stages I and III will require time for procurement of specialist services (surveyors and contractors).

Donegal County Council, in collaboration with the OPW, will work together with the community and the elected members to deliver the recommended flood relief works for Glenties as early as possible taking into account the procurement, design and statutory processes that need to be followed.

Within the Glenties Municipal District a further flood relief scheme has been confirmed for the town of Dunfanaghy within the CFRAMS reports. However, this scheme is not within the first tranche of schemes that the OPW has prioritised for delivery.

Further updates will be provided to members on a quarterly basis.
Roads & Transportation Agenda

1. Follow up to Issues raised at last MD Meeting. Report has / will issue in advance of the MD Meeting to the Member that raised the query.

5. Update on the Takeover Process for the 6 Non County Roads.

6. AOB
4. Update Report on the proposed Bunbeg Footbridge

I refer to the proposed Footbridge Project on the R257 at Clady Bridge, Bunbeg, Co Donegal. Donegal County Council has in recent months appointed Doran Consulting to carry out a feasibility study and report on the feasibility of providing a footbridge / pedestrian link at this location. As part of the report, the consultants will examine a wide range of potential options to provide a safe pedestrian link across the R257 Clady Bridge, Bunbeg while at the same time protecting the sensitive ecology at that location. This feasibility report is an important first step to move the project forward and will be required by the various State Bodies as the project progresses.

The Consultants are currently finalising conceptual designs for the four options identified in the brief and are drawing up a schedule of additional surveys and site works that may be needed for each option.

The Consultants hope to be in a position to have developed all four options to a sufficient level by the end of September 2019 to hold a meeting with the Road Service during October to discuss and agree the specifics of each option.

The Consultant has informed us that the likelihood of a first draft of the Feasibility Study should be available by early December 2019.

I will continue to update Members at various stages of the Design Process via the MD Meeting Forum. Hoping this is to your satisfaction.

*Brendan Mc Fadden, SEE, 09 September 2019*
5. Take over of Non County Roads

The above (and our DCC Policy) has been discussed both in Workshop and MD Meeting setting and most recently at the GMD Meeting dated 07 May 2019. Minute 55.9 refers.

Step 4 of the 7 step process has been commenced ie Advertisement for all 6 Roads will be published in both the Donegal Democrat and Donegal News this Thursday and Friday 12 / 13th September.

By way of update, Step 5 involves a review of the submissions from the Public and a Final Report from Myself for Member consideration, Step 6 - Members consider the Final Report and decide on whether or not to declare the Road to be a Public Road and Step 7 is the formal recording the decision from an MD Meeting.

The 6 Roads under consideration are as follows :-

- Fairhill, Dungloe
- Glen Road, Dungloe
- Cloonbarra Link Road
- Loughros Point at Crannog Bui
- Meenanillar – Carrickaskin Link
- Road at Teach Neddy, Mullaghduff.

Garrett Doherty, SEE
Major & Minor Roads Projects

1. **N56 Boyoughter to Kilkenny**
   
   There are some minor issues with Landowners which are not related to the Contractor and NRO are now resolving these. The NRO is in the process of planning Works on the Cycle Track on the section from the Gweebarra Bridge to the School in Leitirmacaward.

2. **N56 Kilkenny Letterilly**
   
   Fox Contracts are continuing construction and are now approximately 85% complete.

3. **N56 Letterilly to Glenties (Kilraine) and N56 Dungloe to Cloghbolie**
   
   RPS Consulting Engineers are progressing the detailed design and Tender Documentation for the N56 Letterilly to Glenties (Kilraine) Scheme. This is now likely to be tendered at the end of the year. Barry Transportation have completed the detailed design and Tender Documentation for the N56 Dungloe to Cloghbolie Scheme. This scheme was tendered on 06th September 2019 with a closing date at the end of October.

4. **N56 Dungle to Glenties – Land Acquisition**
   
   Close out of the remaining Land Acquisitions will be completed by the end of the year, although a small number of the remaining cases will possibly be referred to arbitration.

Other relevant Schemes

5. **Donegal TEN-T Priority Route Improvement Scheme**
   
   The Emerging Preferred Route Corridors for all three Sections, were presented to the public at Letterkenny, Lifford and Ballybofey on 19th, 20th and 21st February 2019, respectively. For further details of the Emerging Preferred Route Corridors presented at the Public Consultation meetings in February 2019, please see the Downloads section of the Donegal TEN-T Website, [www.donegal-ten-t.ie](http://www.donegal-ten-t.ie)

6. **N56 Coolboy Kilmacrennan**
   
   BAM Civils Ltd has completed the construction of the N56 Coolboy Kilmacrennan Scheme.

7. **N56 Mountcharles Drumbeigh**
   
   Wills Bros. Ltd., has completed the construction of the N56 Mountcharles Drumbeigh Scheme.

8. **N56 Drumbeigh Inver**
   
   Wills Bros. Ltd., has been appointed to construct the N56 Drumbeigh to Inver Scheme. Construction commenced in early August.

4 Central Planning Unit

(1) Regional Spatial and Economic Strategy (RSES)

The Northern and Western Regional Assembly’s Proposed Material Alterations were published for public consultation on 4th August, 2019 until 11th October, 2019. These Proposed Alterations are being reviewed by the Executive to identify any implications for Donegal and Members will be updated in due course. The Proposed Alterations are available to view on the following link, together with the accompanying SEA & AA documentation [www.nwra.ie/rasesma](http://www.nwra.ie/rasesma). It is open to any individual or party to make a written submission on the Material Amendments to the Draft. They can do so between 4th Aug – 11th Oct. 2019 either via the email to rsesma@nwra.ie or by sending their submission to the following address:

RSES Material Alteration Submissions, Northern & Western Regional Assembly, The Square, Ballaghaderreen, Co. Roscommon. All submissions will be considered prior to the adoption of the RSES, anticipated to be finalized before the end of 2019.

(2) Letterkenny Local Area Plan

Work is continuing on the preparation of the Draft Letterkenny Plan on across a range of areas including:

- Assessment of 90 land areas in relation to readiness and appropriateness for development.
- Ongoing consultation with Irish water in relation to their work on a Network development Plan.
- Recommendations in relation to identified conflicts between land use zoning and areas of flood risk.
### Community, Enterprise & Planning Service

**Planning Services Report**

- **Ongoing engagement with Road Design and the local roads team in relation to accessibility and movement within the town, inclusive of the provision of strategic routes.** In this regard, the Council has been advised by way of consultation with the National Transport Authority and Transport Infrastructure Ireland of the necessity to prepare a transport study prior to, and to assist in the preparation, of the Local Area Plan. The Planning Section, in consultation with the Roads Directorate, is currently in consultation with both the NTA and TII in this regard.
- **Engagement with Development Management re: relevant current planning applications and pre-planning enquiries.**
- **Coordination with the preliminary work of the Regeneration Team in relation to inception of master planning under URDF.**

  Coordination with parallel work being undertaken within the Central Planning Unit in relation to derelict sites.

---

#### (3) Buncrana Local Area Plan

With the agreement of the Inishowen MD Members at the July meeting, the Central Planning Unit issued an invitation to specialist consultants to quote for work on the preparation of a high level report to look at the strategic future direction of Buncrana. Two consultants returned an expression of interest and lodged a quotation with the Central Planning Unit on 14th August 2019. These are currently being assessed and it is hoped to make an appointment in the near future. The Brief shall include at least one presentation to the Inishowen Members. This report will assist in informing both the Local Area Plan and decisions around the future strategic positioning and direction(s) of Buncrana, in addition to potential future strategic regeneration funding applications.

---

#### (4) Bundoran

Preliminary work has begun in relation to the targeted intervention measures previously discussed and agreed in principle with Members. Further details will be provided in due course.

---

#### (5) Town & Village Renewal Programme (2016) projects

Specialist Conservation Architect, Duncan McLaren of Dedalus Architecture is continuing the work to prepare the Ramelton Action Plan for Renewal and Regeneration including identification of proposals for enhancement of civic and public space. An updated timeline for the Action Plan is being currently prepared for delivery.

---

#### 5 Regeneration & Development

Members update on application to Rural Regeneration & Development Fund (RRDF) in respect of: ‘Burtonport – Arranmore, Harbour to Island Regeneration’.

---

#### 6 Further

DEPUTATION

Name of Group: Save Ballyness Bay Action Group

Name of Speaker 1: John Connaghan

Name of Speaker 2: Dr Tony McNally

Name of Speaker 3: Caitlín Ní Bhroin

Brief Purpose of Presentation
To bring the many issues involved in the recent and pending applications for Aquaculture in Ballyness Bay to the attention of County Council Members.

Objectives of Presentation

• To outline the licensing process to date and give a visual presentation of the physical effects that the introduction of industrial shellfish production will have on Ballyness Bay.

• Ballyness Bay in its entirety is a SAC area with an embedded section also being a SPA. To outline the damage that the imposition of shellfish production will do to this SAC and how EU Directives will be contravened.

To explain to our elected Councillors the anger felt by the local community at the imminent loss of this valuable local amenity, on community, recreational health-giving grounds and also the effects on tourism and as the related potential economic loss to the local area.
