

**Can I put up a television aerial?**

Subject to site location, planning history and particulars, a radio or TV aerial on your roof is exempt once it does not exceed 6 metres in height above the roof. A satellite dish up to 1 metre across and below the top of the roof is exempted development only to the rear or side of the house. Only one dish may be erected on a house. A dish to the front needs permission. This exemption does not apply to protected structures
