Re: Proposed Variation to the County Donegal Development Plan 2018-2024 (As Varied) in respect of a Wind Energy Policy Framework (Variation No. 2)

To Whom It May Concern,

I refer to the above. The Department of Education acknowledges receipt of Proposed Variation to the County Donegal Development Plan 2018-2024 (As Varied) in respect of a Wind Energy Policy Framework.

The Department notes that the aim of this Variation is to provide a robust evidence based policy framework for the sustainable development of County Donegal's wind energy resource, in accordance with national legislation and Government guidance and to address a policy lacuna in the Donegal County Development Plan, 2018-2024 (As Varied) in relation to wind energy.

The Department has no further comment to make at this time.

Yours sincerely,

Alan Hanlon
