I wish most strongly to object to this proposed development as it will destroy the natural habitat of flora and fauna in the area. It will also destroy the scenic view and be nothing but a carbuncle in the eye of tourists visiting and enjoying the small beach by restricting tourist and farm access to the area. It is also a historical area being so close to McSwynes castle it will neither enhance or benefit the locals nor increase their health and welfare it is also a most unsuitable sight for these ugly monstrosities to be erected and will not conform to the architecture of the area.

Regards
Georgina Boyd
