Re: Variation of Wind Energy Policy in 2018-2024 Donegal County Development Plan

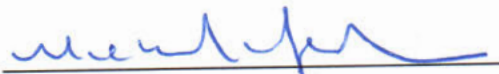

A chara,

I refer to the proposed variation to the County Development Plan with respect to wind energy policy.

I am in support of the policy of placing turbines at a minimum of ten times tip-height from dwellings for the protection of people's health and to allow them enjoy the full and proper amenity of their homes.

I am in support of the protection of High Amenity Areas, Peatlands and Pearl Mussel Waterways from wind farm developments.

Le meas,

MICHAEL Mc GEEHAN
