

# ENVIRONMENT

Circa  
**10km**  
of river corridor environment

**20**  
Protected Structures

**11**

hectares of  
parkland environment  
provided through:

- >> Letterkenny Town Park
- >> Ballymacool Town park

## Historic streetscape

along Main Street  
and conservation, regeneration  
and heritage initiative at the

**CATHEDRAL  
QUARTER**

and through activity of

**LETTERKENNY  
TIDY TOWNS**

Designated  
conservation sites at:

- >> Lough Swilly SAC
- >> Lough Swilly SPA
- >> River Swilly  
Valley Woods  
pNHA

- ? ? How can the river corridor be an active part of the urban environment?
- ? ? What parts of the environment should be protected and kept development-free?
- ? ? How can health and economic benefits be appropriately leveraged through our environmental assets?
