MARINE NOTICE

Donegal County Council will carry out dredging works in Buncrana harbour commencing on Monday 17th June 2019 and continuing for approximately 10 days.

This work is to facilitate the access of the Lough Swilly RNLI lifeboat and other vessels using the harbour. Material will be ploughed from the harbour basin and deposited approximately 1000m from the pier.

The work will be carried out in accordance with environmental protection agency permit no. S0011-03.

Any queries relating to the works may be made to the undersigned:
