

€100 Water Conservation Grant

How to get your €100 Grant

You need to have registered with Irish Water by the **30th June 2015** at the latest, even if you are not an Irish Water customer. You can do this online at www.water.ie, by phoning 1890 448 448, or by post.

You do not need to do anything else now.

The Department of Social Protection will then write to you in late-August or September telling you how to get your grant.

There is no need to contact the Department before then.

The Department will begin payments of the €100 grant in September 2015.

Further information is available on www.watergrant.ie.
