## County Surveyors Report.

Gentlemen,

The continued wet weather during the greater part of the past quarter was most injurious to mountain and bog roads, I regret to have to report, and maintenance Contractors have on the whole neglected their roads and in very few cases have I been able to recommend payment of their quarterly instalments.

I understand that there is great need for a foot bridge at Meenacaddy to allow the school children to ~~cross~~ get across during the winter months. I understand that the Congested Districts Board offered £20 towards erecting a Bridge, but I do not know, if this offer still holds good.

I think that a sufficient foot bridge could be constructed for that sum.

The liabilities of the District for the current financial year upto the present are as follows :-

Continuing Maintenance Contracts	£1528 : 10 : 6
Other Contracts entered into	75 : 13 : 6
Sudden damages	19 : 10 : 0
	<hr/>
	1623 : 14 : 0
Legal annual Limit	1648 : 15 : 0
	<hr/>
Balance	£25 : 11 : 0

Committal of Lunatics.

The following resolution was adopted unanimously, and the clerk directed to send a copy to the Lord Chancellor and Mr. H. A. Law, M.P.

"That recently, in the Crossroads 2nd Insolvency District of Dunfanaghy Union, considerable inconvenience was caused to a lunatic patient by the absence of one local Justice of the Peace.

The Patient had to be conveyed to Letterkenny, a distance of some 25 miles in order to be committed, which considering the inclemency of the weather at this season of the year was an unnecessary hardship, and we would request our Parliamentary representative to take steps to provide against the possibility of a similar recurrence, by putting forward the names of some eligible gentlemen in the District to the Lord Chancellor with a view to having them appointed to the position of J. P.

and that copies of this resolution be forwarded to the Lord Chancellor and Mr. Law."

(Signed,) Jas. Boyle

The Minutes of the last Meeting were read and signed.

## County Surveyor's Report.

The County Surveyor reported that the majority of maintenance contracts had been kept in fair repair during the past quarter.

Some contractors have failed to supply their usual quantity of material and have not given sufficient surface labour. I warn Contractors that I will not allow stons to be spread after the 1st of April except in cases of mountain or bog roads or in cases of exceptional traffic. I regret to report that Strametin wooden bridge in Gweedore is in a very unsatisfactory state I fear it will have to be rebuilt very soon. I fear that it will be necessary for the Council to apply to the Local Government Board for an extension of the limit of expenditure, because after providing for continuing maintenance contracts the balance would not be sufficient to carry out the work of rebuilding Strametin Bridge.

The liabilities of the District are as follows:-

Existing Contracts . . . . .	£1277 : 14 : 6
75% of the estimate of the works to be considered at this meeting . . . . .	163 : 10 : 0
To meet possible sudden damages	207 : 10 : 6

Mr Terry having signed the usual declaration took his seat on the Council.

## Agenda Sheet.

On the motion of Councillor Colgan, seconded by Councillor W. Harkin it was resolved to allocate £57 : 10 : 6 of the £207 : 10 : 6 available for possible sudden damages and to divide the £150 then remaining amongst the 10 electoral divisions of the District i.e. £15 to each, which was accordingly done, with the exception of the Kempnagley Division which was not represented.

On the motion of Councillor Colgan seconded by Councillor W. Harkin it was resolved to allow pass the motion standing in Councillor Irvine's name on the sheet for £12 in the
