The following Letters and other communications from the Local Government Board for Ireland or others were read, and Orders were made thereon, as follows:—

No. and Date. L5947: 1917 From the L. G. B. enclosing a copy of a letter which has been received from a man named Joseph McBrearty relative to the tenancy of the cottage which he holds from the Council and requesting the Council to give the matter their special consideration

The Council has been very considerate with this man having regard to his present occupation and his motherless children. The eldest daughter who is about 19 years should have been capable of caring the household but the Council regret to learn that the contrary has been the fact. She is now in Blackburn and has deserted the other children. After getting the decree for possession in February last the Council decided to give them a chance to reform and repair the house &c since then there has been no improvement so that the Council has been reluctantly compelled to take the extreme measure and evict the family. His friends have agreed to take charge of his children whilst he is at sea

24.5.1917 From R. O. Byrne stating that the friends took charge of the children of Joseph McBrearty after they were evicted on the 23<sup>rd</sup> May with
