Dated the 6 day of June 1916

John G. ...
Clerk of the Rural District Council.

The following Letters and Reports were read, and Orders made thereon as follows:—

County Surveyor's Report.

The following report from the County Surveyor was read and unanimously adopted:—

"During the half year under consideration an additional opportunity has been given to those contractors who had not their annual quantities of metal ready for measurement in time. In several cases this has not been taken full advantage of with the result that money has had to be struck off. I have still to complain of insufficient attention to surface work. A matter that must be stopped is the practice by some men of raising fresh quantities of metal before getting their measurement docket signed to the effect that what had been previously measured was spread. Where this occurs contractors are liable to lose and they should carefully read the instructions issued for their guidance. The practice of mixing coarse and fine material together is very detrimental to the roads and must cease. On hilly roads more harm is often done by the water than the traffic. This could be avoided with even a little attention to the drainage and the exercise of a little judgement in spreading the metal in the manner I have explained."

Sheet of Works.

The list of applications were taken into consideration Nos. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 21, 26, 27, 32, + 36 were passed and the remaining proposals were rejected.

Adjourned Meeting.

The adjourned half yearly meeting was fixed for the 27th inst at the Cresslough National School at 12 o'clock.

Clk's Illness.

The Clk wrote enclosing a medical Certificate that he was ill and unable to attend the meeting, and that M. A. Mac Intyre would act for him.

Dated the 4 day of Nov 1916

Clerk of the Rural District Council.

The following Letters and Reports were read, and Orders made thereon as follows:—

County Surveyor's Report.

The County Surveyor's Report for the half year ended 30th Sept last was read as follows:—

During the half year under consideration there has been a better effort by most contractors to get their annual complements of metal than I have hitherto experienced and the result is reflected in the pay sheets by the larger sums that are certified for payment. More care however must be given to surface work. Some men think that once they have spread patches of metal that they are done with them, quite forgetting that they are responsible to gather from time to time any loose stones and replace them in the patches. On hilly roads where the drainage is not carefully attended to more harm is done by the water than by the traffic, and as a matter of fact many contractors this time would have got more money but for this neglect of water table. Another matter that must be attended to is the proper spreading of the large quantity of stones that has been measured. It must be applied in patches where most needed about 11 yds. long and 8 ft. broad or even narrower where the weak place does not require 8 ft. broad. On no account is metal to be applied for long lengths at full breadth of road. It is a practice some contractors have, and if persisted in they will lose money. In the financial year April 1917 to March 1918 the full limit of expenditure will be required and more also if the roads that are lying out and also pressing works are to be dealt with.

On the motion of Councillor Sayer seconded by Councillor Mayhew the Report was unanimously adopted.

Sheet of Works.

The Schedule of applications was considered as follows :-

Nos 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 30, 33, 37, 38, and 39 were passed. Nos. 18, 23, 26, 28, 29, 30, 39 and 41 were reduced and amended and then passed. The remaining proposals were rejected. In the allocation of the money the following sums were voted to each Division Ards £12, Creevesmear £13 : 12 : 0, Creeblough £12 : 10 : 0 Crossroads £0 : 1 : 0, Doo Castle £20, Dunfanaghy £17 : 10 : 0 Dunlawry £22, Gortahork £20, Magheraclogher £54 and Mounacladdy £10. In the case of no. 18 new road the landlord promised to contribute £10 in addition to the amount voted by the Council.

Limit of Expenditure.

On the motion of Councillor J. McYadden seconded by Councillor McNulty it was unanimously resolved to request the County Council to fix the limit of expenditure on Public Works in the Dunfanaghy Rural District at £1900 for the financial year ending March 31st 1918, subject to the approval of the L. G. Board.

New Road in Carnamaddy Bog.

Sir Peter Stewart-Barn wrote offering the sum of £20 towards the expense of making a new road through the Carnamaddy bog if the Council would undertake its construction

Ordered: Clerk to inform him that the Council would consider the matter at their next half yearly meeting.

The following resolution was unanimously adopted on the motion of Councillor P. McGadden seconded by Councillor Lagers:-

"That we request from the Secretary of the Q. Council information as to whether the amount of monies struck off in Form 22 in each half year in this Rural District go to the benefit of the Rural District or to the benefit of the County at large."

The Adjourned half yearly Meeting was fixed for the 25th instant at Cresslough School at 12 o'clock noon on the motion of Councillor Lagers seconded by Councillor P. McGadden.

Signed, The remaining business on agenda was adjourned

Limit of Expenditure on Roads.

62420: 1916

The Local Government Board wrote forwarding a Sealed Order fixing the limit of expenditure on roads in the Rural District at £1900 for the year ending 31st March 1918.

Malicious Injury Claims.

Mr William Kelly Solicitor to the Council, wrote under date the 19th ultimo that the malicious injury claim of Grace O'Donnell came on for hearing on the 18th and that the County Court Judge had given a decree for £3. Also that the malicious injury claim of Nora O'Donnell came on the same day and that the Judge gave a decree for £24. He further stated that Mr Samuel Boyle C. B. O. called with him and said there were two witnesses who could help and at his own request he got summonses for them. The decree was ordered to be levied over the Magheraerloghin Electoral Division.

Adopted.

Malicious Injury Claims (continued).

The Clerk reported that he attended at the hearing of the malicious injury claims at Letter Kenny on the 18th ultimo, according to the directions of the Council, and that he had given evidence to the effect that in case of a decree the amount was to be levied off the Electoral Division of Magheraclogher, and that the County Court Judge had so ordered.

Adopted.

Mr Kelly telegraphed on the 20th ulto. suggesting an appeal in these cases but the Clerk reported that he had consulted the Chairman of the Council in the matter and had wired to Mr Kelly not to appeal.

Approved.

Mrs Kate Rodgers, Messrs Daniel Boyle and Thomas P. Coll wrote requesting to be paid travelling expenses as witnesses in the above mentioned cases, and it having transpired that they were not summoned by the Council the applications were marked

Refused.

The following resolution was unanimously adopted on the motion of Councillor Gallagher seconded by the Chairman :-

" That this Council take serious cognizance of the gross negligence and seeming contempt with which the merchants trading in this Rural District are treated by the Londonderry and Lough Swilly Ry. Company in the matter of the delivery of merchandise entrusted to them; That this Council at an early date consider the advisability of obtaining a discontinuance of the guarantee to the Railway Co. in so far as it affects this Rural District unless measures are speedily undertaken to remedy the evil which mainly consists of grave neglect in delivery whereby the merchants are unable to supply the people with provisions and other necessaries at the proper time, while all the time the goods are lying at some intervening station often a period of a week or fourteen days.

That copies of this resolution be sent to the Board of Works, Donegal County Council, the L. & L. Swilly Railway Co. and Mr Hugh Law M.P. "

"That we, the members of the Duncannon Rural District Council emphatically protest against the exclusion of Ireland from the coming legislation on Education, and from participation in the accompanying supplementary grant. We claim for Ireland her proportionate share of all educational finances, and demand that the amount justly due to be devoted to its legitimate purpose, and not diverted to other channels, as was the Equivalent Grant of 1903. We desire also to point out that, in our opinion, a thorough reform of the whole Irish Education system is imperatively ~~not~~ needed if the men and women of Ireland of the future are to be fitted for competition of those of other countries, and fitted also for those duties which, in the year to come they will be called on to perform as citizens of a free and prosperous nation."

In making the new declaration which will become operative as from the 1st April 1918, the Board propose to follow substantially the lines of main roads indicated by the evidence of the County Surveyors subject to certain modifications which appear to be desirable.
