

## Green and Orange Step Together

P/11 / 2/3 (10)

RAPHOE, Co. Donegal:  
Orange and Green came together  
and played together last week in  
Raphoe, County Donegal. The oc-  
casion was a six-mile march in  
aid of the physically handicapped  
fund, and the Raphoe Orange  
Band and the Raphoe AOH Band  
played and marched together.

Said Deputy Paddy Harte, who  
lives in Raphoe: "This is an ex-  
ample of how good community  
relations are in County Donegal.  
It is an example to the rest of the  
divided community that we can  
co-exist and live in harmony."

And Local Government history  
will be made when a British  
Government Minister addresses  
a cross-Border Co. Council. The  
chairman of Donegal County  
Council has invited Mr. Ray  
Carter, a junior Minister with the  
Northern Ireland Office, to ad-  
dress a committee meeting on  
the subject of cross-Border co-  
operation on tourism. Mr. Carter  
has indicated his personal  
willingness.
