DIRECTIONS FOR USING
THE
Pen Duplicate and Triplicate Books

MANUFACTURED BY

DOLLARD, Printinghouse, **DUBLIN,** Ltd.

Place a sheet of one-sided carbon paper, face downwards, between the first and second leaves, and then the sheet of black board after the Duplicate. Write upon the first leaf with a Duplicator or Manifold Slip Pen, and two copies will be the result.

In the case of a Triplicate Book, a sheet of two-sided carbon paper is placed between the 2nd and 3rd leaves, and then proceed as above.

A CARBO-PLATE can also be supplied to take the place of the black board. This is a plate which grips the carbon, and at the same time provides an extra hard plate, made of aluminium, which gives an extra clear copy, and enables the carbon paper and support to be placed in position for writing and withdrawn without touching the carbon with the hands.

The following Letters and Reports were read, and Orders made thereon, as follows:—

No. 20/5/1920
15th January 1920

read letter from h. G. Board
relative to Housing
scheme. They point out

that before the Council proceed further with
any scheme for the creation of cottages which
they consider are urgently required they
should obtain an estimate from their Clerk
as to the total cost at present of providing
the cottages and plots so as to ascertain
the weekly rent which would have to be
charged in order to fully recoup the expenditure.

The Council should then decide as to what
would be a reasonable return on that expenditure
to charge as rent to the Labourers having regard to
their wages and any other incomings and then
communicate with them inquiring whether
they are prepared to pay such rent. The scheme
should be limited to the cases in which the
tenants undertake to pay the required rent,
and it will then only be necessary for the Medical
Officer of Health to visit the existing houses of
occupiers who comply with this condition
as regards remuneration to Medical Officers

for such duty, they are bound to inspect them at the fee laid down in the order of 1912, but the Board would be prepared to consider any application made for increased payment in cases ^{where} extra travelling expenses are incurred

The following resolution was unanimously passed on the motion of Mr. P. McNulty seconded by Mr. E. Mulhern.

Resolved: - That we, the Rural District Council of Ballyshannon the elected representatives of a population consisting entirely of Ulstermen, emphatically as Irishmen, protest against any scheme of severing our County and people from our fellow countrymen of the South and West.

We are Irishmen and inside Ireland we know of but one nation inhabiting it.

We, as Ulstermen, though proud of our Province, recognise no Ulster nation any more than we recognise a Munster nation. The division of a whole people at the bidding of a small body of zealots and political wire pullers is at once unnatural and un-natural, and we pledge ourselves and our constituents never to submit to it.
