Clerk reported that there are 10 Labor Cottages at Mullins Donegal without a drain and if a drain is not made something serious will happen. Some time ago the Council proposed owing to a quarrel going on amongst the tenants to take plots of land attached to cottages from the tenants & reduce the rents accordingly. I called & went into matter with the tenants and they would be satisfied to pay present rent if drain was made. Laying of pipes would cost about £20 and he would strongly appeal to Council to deal with this important matter.
