From Mr O'Malley dated 5 May 11
with reference to Schemes C & D. The

The following Letters and Reports were read, and Orders made thereon as follows :-

From County Secretary enclosing list of works approved at last meeting of County Council.

Mr James Sweeney proposed that the minutes of the Council at the Annual Meeting should be adopted. Mr Crofted members added to the Council be rescinded.

The Chairman refused to accept the motion, and the matter dropped.

No 19981 dated 9 May 1911. stating that it would appear that the services alleged to have been rendered by the Clerk in connection with General Correspondence or relating to the Guarantee for Postal Telegraph Extension to the relief of manufacturing ham would fall within the usual scope of his duties - and referring to Sec 47(2) of Local Government (Ireland) Act 1898.

The Council would most respectfully beg to point out that the Telegraph Extension received the sanction of the L. G. Board in June 1902, which was after the passing of the act above referred to of 1898. and that said sanction was granted under the Public Health (Ireland) Act 1878. Consequently in the opinion of the Council extra duties were thrown upon the Clerk and for which extra duties - the Council in their demands annually during the term of said guarantee made provision and the Council is of opinion now that the whole of the works in connection with the guarantee is completed, and all the accounts audited, that the Clerk is entitled to the gratuity proposed, and they trust that the Local Government will see their way to reconsider their decision and express their sanction to the payment of the amount recommended.

The Clerk applied for leave to attend Newtown-Cunningham Petty Sessions on 14th July to prosecute a Labourer named Hamilton for non-compliance with the terms of his agreement as regards payment of Rent and Rates for the Labourers Cottages which he occupies.

The Clerk stated that he had replied to a Memo. from the Local J.P. Board that he estimated the cost of proposed Scheme £. at £8008. Dated 10-May 1911.

The Sites Committee reported that they had selected 4 1/2 sites for Labourers Cottages proposed to be erected under Scheme 2.

The Engineer reported that he now sent Plans, Specifications & Detailed Estimate of above Scheme 2. also 2 sets of Ordnance sheets showing sites proposed to be acquired and Book of Reference to maps.

He also stated that he estimated the cost of Cottages + fencing @ £135.0.0

- Land	23.0.0
- Law & Engineering	7.0.0
- Sundry Expenses	10.0.0
	<u>£175.0.0</u>

The Clerk pointed out that the amount estimated by Mr. O'Callaghan for Law & Engineering would not near cover the cost as the Solicitors costs alone would amount to about £6. which would leave only £1 for Engineering which was too little and that the amount for Sundry Expenses was also too low, and suggested that these items should be increased by 7.

The Clerk reported that the amount estimated for the Cottages for 1911 was £172.00. The Clerk also stated that the estimated cost of Cottages & fencing is £187.00. The Clerk also stated that the estimated cost of Cottages & fencing is £187.00. The Clerk also stated that the estimated cost of Cottages & fencing is £187.00.

per Cottage. Mr. O'Connell suggested that the Cottages might be built for a little less than the estimated cost.

The Clerk's Draft of the Improvement Scheme was submitted, estimating the cost of same at £8008. or £182 per cottage complete as per Engineer's Estimate.

The Council fixed the 23rd instant as a suitable date for finally adopting the Scheme. Each member to receive special notice of time and place of meeting and of the business to be transacted thereat.
