also acknowledging Copy of Scheme Maps Book of Reference Plan. Specification Estimate

Also No 8496 dated 5 July 1911 acknowledging receipt of representations for Cottages which were rejected by the Council.

No 8496 dated 5 July 1911 that the proposed arrangements for carrying out the Engineering duties in connection with the erection of Cottages in the Letterkenny Rural District does not require their sanction, and adding that the Council should satisfy themselves as to the Competency of their Engineer's assistants to discharge whatever duties may be entrusted to them.

From Mr. O'Malley Esq dated 2.7.11 and 6.7.11 stating that the address given in Book of Reference to maps for Scheme E. as "Maurice Hegarty" should be "Maurice Hegarty" for plot No. 6. and that J. Haselett Drumcavany for Plot No. 2.2. should be Peckell Hazelett Esq J.G. Dr. Harrow Law Dept North Bank Buildings Derry.

The Clerk stated that on receipt of above information he had forwarded the necessary notices & maps to the addresses now supplied

Dan O'Donnell labourer occupying cottage in Churchhill wrote that he wanted the cottage whitewashed.

The clerk stated that he had written Mr O'Donnell stating it was his part of the agreement to whitewash the cottage approved.

John Duncan Mondosey wrote on 21 June 1911 asking why he was not getting possession of the cottage erected for him, and pointing out that it is now too late for getting in any crop.

Mr W. Platt Contractor of the above cottage appeared before the Council and stated that he had this cottage completed in April and wanted Mr O'Callaghan to take the key off his hand.

There was some difference as to the area of the plot; but that he built the fence where the holes were dug for the posts but it now transpires the plot when again measured by Mr. W. Dintyre is about 8 perches short of the 1/2 acre. and Mr O'Callaghan now wants him to tumble the fence and build it where now pointed out which he considers very unreasonable. Referred to Mr O'Callaghan to square off.

From Mr. O'Callaghan Esq. Engineer dated 6-7-11 stating that the L.C. Board approved of Mr. McIntyre and Mr. Dawson assisting him. Mr. McIntyre would be able to discharge a number of contracts but that they cannot be done for this meeting.

The Clerk pointed out that in his opinion Mr. McIntyre and Mr. Dawson could not sign Certificates to the Contractors for payment on their contracts as these would require to be signed by Mr. O'Callaghan on these gentlemen's reports of favourable.

Also that a number of Contractors are finishing off details to their stages but Mr. Mearns has made no effort to complete his contracts.

The Clerk to write Mr. Mearns giving him till 25th inst. to complete the work.

Further he suggests that the Council should decide what penalty (if any) they intend to deduct in the cases of Denis Shaw and Francis Kelly as they delayed their contracts long beyond the specified time.

The Council referred Mr. O'Callaghan to the terms of the Specification and decline to interfere in the matter until they receive Mr. O'Callaghan's report & Certificate.

The Clerk reported that owing to the extra depth that the man-cumming ham well has now been sunk - that the pump specified will not be sufficient to lift the water - as it was only intended that it would have to be sunk about 24 feet. whereas it is at present sunk more than 54 feet and there is not yet a satisfactory supply. and requested the Council to Cancel that portion of the Specification. and allow the Selection of a suitable pump when the well is completed, to be left to the Committee.

Walter be authorised to describe a suitable pump to be provided by the Contractor who will be allowed the extra cost of same. seconded by Mr. R. Gallagher, and passed unanimously. to which the sanction of the Local Government Board is requested (the exact amount of difference in price cannot at present be determined)

The Board have agreed to the proposal and have authorized the Local Government to erect a water pump at Carrigrohane to supply the water to the town. The Committee are satisfied with the arrangements made by the Local Government and have no further business to bring before them.

The Clerk stated that on receipt of this Bill he furnished a copy of same to Engineer who replied on 16th September that the Contractor is not in his opinion entitled to anything for extras, and that the Council need have no fear of the result in case of an action by the Contractor.

As the Specification is rather elaborate and detailed the Clerk was directed to forward the "original" which can be returned when the Local Gov Board have finished with it - as the work to Cottage No 9. has not yet been carried out.

The Cottages are scattered over the whole district which necessitates a great amount of visiting and extra expenses on the part of the Engineer.
