It will be easily remedied. That a  
number of Cottages in exposed positions  
are taking damp in the west gables  
but the weather has been so wet  
lately that nothing could be done.

The Clerk stated that a Contractor  
had taken a contract to carry  
out plastering repairs to a number  
of exposed Cottages and some  
minor repairs to the roofs in  
4<sup>th</sup> batch last but this work  
has not yet been executed.

Mr. J. Broad proposed that the  
two District Councillors of each Division  
and the Architect be appointed to  
inspect the various defective  
Cottages and authorised to have  
the necessary repairs carried  
out to the Cottages as soon as the  
weather permits recorded by  
Mr. H. J. Allison and passed  
unanimously.

The following Letters and Reports were read, and Orders made thereon as follows:—

From Mr. Fadden by letter dated 2<sup>nd</sup> May 1913 that  
the Council can terminate the tenancy of a Cottier  
at any time they wish, but as the tenant in the  
case has only gone to Ireland temporarily, and if  
the Council is satisfied that he will return when  
work is available, it does not think the tenancy  
should be terminated. The fact that he  
is only temporarily absent and his relatives  
a change would not put the Council in  
any way.

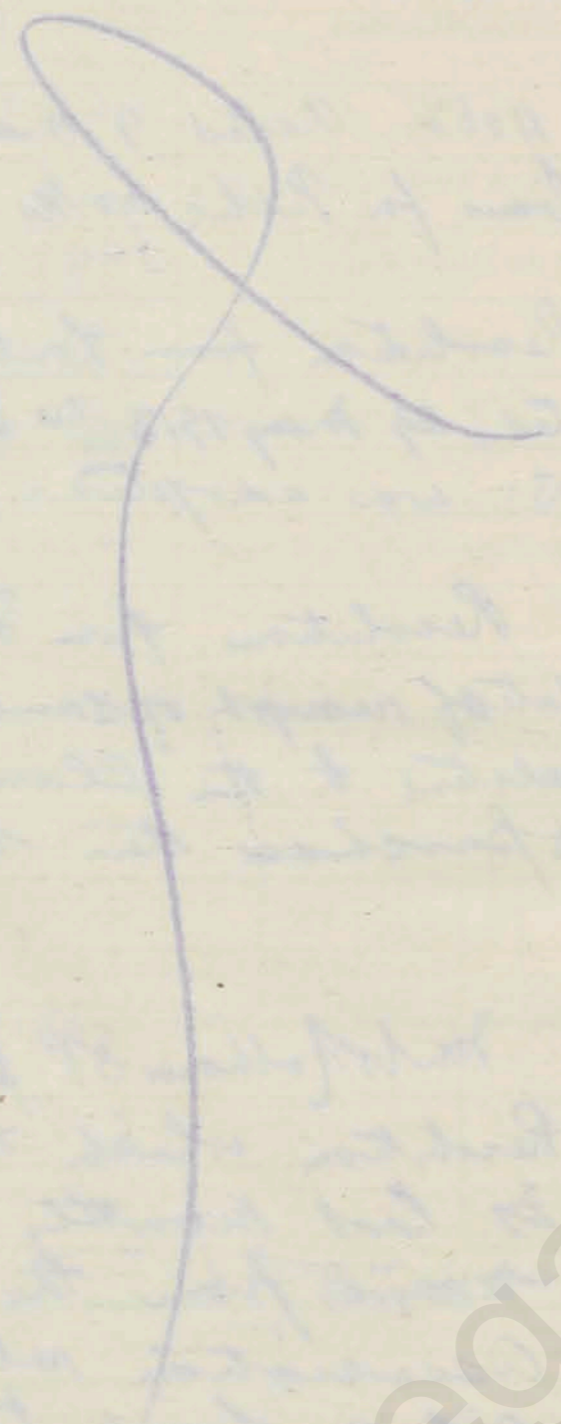

The Council who have returned from

Present:—In the Chair, *W. Bolhoun Esq JP & 12*  
Other Members—Messrs.

The following Letters and Reports were read, and Orders made thereon as follows:—

From Mr Fadden Esq dated 7th May 1913. That the Council can terminate the tenancy of a Cottage at any time they wish, but as the tenant in this case has only gone to Scotland temporarily, and if the Council is satisfied that he will return when work is available, he does not think the tenancy should be terminated. The fact that he is only temporarily absent and his relatives in charge would not justify the Council in ejecting him.

The Tenant who has returned from Scotland appeared at the meeting and states that he only went to Scotland when there was no work for him at home, and is at present working to Mr. Leakey of Thuck

From Milford Rural District Council dated 19th May 1913 enclosing copy of Resolution from that Body offering £2 a year as sufficient remuneration for the duties imposed upon the Clerk of Letterkenny Rural District Council in connection with Kilmacrennan water supply.

Rev. Fr. McMenamin appeared before the Council as an informal deputation and urged that the offer of Milford R.D. Council should be accepted for a year and if the remuneration was then considered inadequate an application could be made for an increase. - He admitted he did not know much about the matter as he has only been a short time in the Parish.

The Clerk with the permission of the Chairman informed Fr. McMenamin that the duties consisted of working a Controversial area between 2 Public Bodies which was very considerable beyond the endorsing of a paying order and passing it on to the Supplying authority as was the opinion of some of the members of the Milford Council. - However as he (Fr. McMenamin) had now placed himself in an awkward position namely:- that of trying to extricate the Milford Council out of the muddle

in which they have found themselves for the past ~~2~~ 3 years  
he was sure the Letterkenny R.D. Council would do what  
they could to assist him in the matter, and although  
the amount fixed in December last was very moderate  
still he was prepared to leave the matter in his Councils hands to deal  
with. after which it was proposed by Mr. W.  
Reid that in order to meet Mr. W. Menamin's  
suggestion in the matter, the amount fixed  
in December last namely £5 a year, be  
reduced to £3 a year, and that if necessary  
at the end of one year the matter be  
reconsidered: seconded by Mr. P. O'Leary  
and passed unanimously.

The Clerk stated that it would not  
be possible to have the matter reconsidered  
at the end of the year but hoped  
that this £2 would keep the Milford  
Council in a solvent position.

The following Letters and Reports were read, and Orders made thereon as follows:—

Matter concerning Special Meeting was read.

As soon as the four following a form on which to apply for sanction to be given required to be sent on the 10th day of June 1913. and that that application should be made for appointment of an officer in the case of the Letterkenny R.D. Labourers (Opposed) Order 1913.

Also read letter to D.P. dated 13th June 1913 regarding the information whether the Council would be appointed of an officer to be

deferred until the appointment can be made in respect of the Letterkenny R.D. Labourers (Opposed) Order 1913. so that both orders could be dealt with at the same time.

Also Mr. 1722 dated 13 June 1913 stated that they had sanctioned a loan of £870 for the carrying out of the Unimproved Scheme and had recommended the issue of £500 being the first instalment.

The Clerk pointed out that the proposed plans could not be carried out at the amount sanctioned being only £190 per Cottage. as there would only be a sum of £34.5.0 to pay for Land Engineering Law advertising Clerical Expenses and Local Board expenses etc. which would not be at all sufficient. and suggested that the Plans & Specification & Estimate should be returned again to Mr. O'Callaghan with a view to such alterations being made as would enable the Scheme to be carried out at the reduced figure which was proposed ~~to be~~ by Mr. W. Tolson D.P. & seconded by Mr. J. Verand and passed unanimously.

It was further Unanimously Resolved that the 2 sites in the
