Minutes of meeting of Housing Committee held on 6<sup>th</sup> November, 1919

The proposal of some householders in West End, Bundoran, to sell the interests in their holdings for £1,500 was discussed at length.

The Committee unanimously agreed that when the cost of acquisition of the sites, together with legal expenses and Architects fees was considered, they did not feel justified in recommending the Council to accept the terms laid down on behalf of the

tenants now occupying the proposed sites.

A letter dated 17/10/19 from the National Development Company of Ireland Ltd acknowledging receipt of Clerk's letter of ~~16/10/19~~ 16/10/19 applying for a loan of £10,000 for Housing purposes was again considered.

The Committee expressed disappointment at the delay in receiving a decisive answer to Application.

The meeting directed Clerk to request the Local Government Board (Housing Department) to inform the Council.

(a) Whether a loan for purposes of the Housing (Ireland) Act 1919 may exceed the amount of the borrowing powers.

(b) Are the Council bound to build the number of Houses included in the Scheme.

(c) Whether if money be borrowed in the open market would the fact interfere with borrowing powers of Council for purposes of waterworks extension expenses.

Proceedings then ended.
