Dear Sir/Madam

An Bord Pleanála

Subject: Development Works at Port Pier, Inver, Co. Donegal

Donegal County Council is progressing the development of Port Pier, Inver, Co. Donegal, which will include:

1. **Construction of a new encapsulated sheet-piled pier** to the south of the existing pier.
2. **Construction of a new sheet-piled retaining wall.**
3. **Dredging of the harbour** to ensure continued operational functionality, particularly across a broader range of tidal conditions.
4. **Reclamation of an area behind the existing pier** using predominantly dredged material.

Donegal County Council has appointed Ayesa Consulting Engineers to oversee the advancement of this development. Ayesa Consulting Engineers is authorised to act on behalf of Donegal County Council in all matters relating to the planning application for this project.

Yours Sincerely,

Cathal Sweeney
A/Senior Executive Engineer
Donegal Co. Council
