The Council decided to assist the Committee at Killybegs in water scheme as far as possible and with that object in view they wish the L. G. No. and Date.

From J. M. Gallagher Solicitor re the application of Michael McNeilis for compensation for Criminal Injuring to property that it will be necessary to make arrangements for Defence on Appeal to reset Assizes including evidence and witnesses and also to get a valuer to estimate the damage and wishing to know with whom he should communicate on behalf of the Council regarding such arrangements and instructions

Having regard to the fact that an appeal was lodged to give the parties affected an opportunity of prosecuting the appeal on the strength of a man saying before the Council and saying he did it. This man has since denied that he ever said so. As the plea of charge is now proved and the parties concerned failed to take advantage of the offer this Council now withdraws the appeal. From the Clerk submitting his Report for the Quarter ending December 31<sup>st</sup> 1917 on the state of the Cottages. The Clerk stated that a number of the Cottages required repairs that should be attended to during the coming Spring and Summer months.

Report considered satisfactory. The Clerk was ordered to bring in a detailed Report for the meeting in March showing the actual repairs required to each Cottage with the probable cost of same. The Council will consider same at their meeting in March next.

The Clerk desires to draw attention to the fact that the period of his sanction as Temporary Inspector is now expiring.

The Council request the Local Govt Board to approve of the Clerk as permanent Inspector of the Cottages as we find a marked improvement in the Cottages since he took up the duty. His appointment has also been the means of saving a lot of unnecessary trouble to the Council.
