The Chairman drew attention to the fact that they were now likely to get a Doctor for the Doochan Dispensary District in case Dr. Dingle would be willing to forego his claim to the appointment which was during the war

A Deputation consisting of Messrs P. O'Donnell Chairman John Boyle Dooney and P. Kelly J.P. was appointed to interview the Doctor

The Doctor consented to relinquish his claim provided the Guardians unanimously agreed to give his salary for Glenties District at £100 a year what it was before his appointment

Several Guardians objected so the matter ended

The Dispensary Record were produced and signed Dr. Gardner drew attention to the ceiling of the Dingle Dispensary portion of which has fallen

No action taken re the Dingle Dispensary ceiling as it is not serious. The Guardians request Nurse Sullivan to explain why she tore the leaves out of her book before giving it up to Nurse Gill

unfit for Military Service
Mr P. Gildea moved that Dr L. L. O'Neil get a lump sum to relinquish his claim to the temporary duty in Doochary District. This motion was not seconded.

The following Letters and other communications from the Local Government Board for Ireland or others were read by the Clerk, and Orders were made on them respectively, as follows:—

9.12.1916 The Chairman submitted the following copy of the letter from Dr L. L. O'Neil. In reply to Deputation from the Doochary Dispensary District I am prepared to relinquish the position of Temporary M.O. of the Doochary Dispensary District I am prepared to relinquish the position of Temporary M.O. of the Doochary Dispensary District which I hold for the period of the War on condition that my salary as Dispensary M.O. of Glenties Dispensary is brought back to the figure it was prior to my appointment £100 and that the spirit of the Board in so doing will be unanimous.

The Rev. G. Liberty & C. Lettermacaward appeared before the Board and urged them to take advantage of this generous offer in the interests of his District. The Chairman also explained how the District suffered owing to the want of a permanent medical officer and seeing that they have now an opportunity of getting a permanent doctor who is unfit for military service to apply for the Doochary District he was sure the Guardians and the L.G.B. will place no obstacle in the way.

Proposed by John Boyle
Seconded by Hugh O'Riordan
and resolved unanimously
"That we unanimously agree to the terms set forth in the letter of Doctor O'Neil namely that we hereby increase the salary of Dr O'Neil from £80 to £100 and appoint a doctor for the Doochary District"

I hereby give notice that at the meeting to be held on the 6th day of January 1917 I will move

That in order to avail of the present favourable opportunity of securing a permanent medical officer for the Doochary Dispensary District that the salary of Dr L. L. O'Neil as medical officer of the Glenties Dispensary District who at present is acting as temporary medical officer of the Doochary District be increased from £80 to £100 and that permanent medical officer be appointed for the Doochary District at a salary of £100 a year signed John Boyle & H. O'Riordan

The Guardians hope the L.G.B. will approve of this arrangement as the time specified in their letter NO 8746-16.2.16 is now almost expired seeing they have the chance of man who is unfit

57808: 1916 No 57808: 1916 From The L. G. B dated 15th Dec 1916 forwarding for the Guardians information a copy of a letter which they received from Messrs Clark & Co Successors relative to the delay on their part in supplying Medical Requisites ordered for use in the Infirmary Union

The L.G.B. points out that the Guardians should consider the proposal to increase the Salary of the Gienties District Medical Officer on its merits without any conditions and in the event of any proposal being put forward for the further temporary employment of Dr. Moore the Guardians should take into consideration his previous record and the manner in which the duties have been discharged since he took up duty on the 6th inst.

The Guardians from the information at their disposal from members of the Doochary District are quite satisfied with the employment of Dr. Moore and consider him quite competent and fit to undertake the duties of the Doochary District permanently and we hope the L.G.B. will not raise any further objection to the Guardians proposal to ~~appoint Dr. Moore to the Doochary District~~ appoint a permanent Medical man for this very extensive area. The Guardians are now satisfied after their 5 years experience of Dr. McNelis that he is entitled to the same salary as the Doctor of the other Districts and request the L.G.B. to approve same now that the 5 years are up. The Guardians have considered this matter on its merits and are satisfied from the work to be performed that he is entitled to the increase and that this Board is only carrying out their undertaking to Dr. McNelis at the time of his appointment. The Guardians request the L.G.B. to sanction the salaries proposed to be paid to the permanent M.O. so that they may proceed with the Election

Re Dietary Scale
 I have substituted vegetable soup with Potatoes for the past fortnight in lieu of milk. This gives 2 additional suppers of meal and milk per week instead of the tea and Bread. Any further change will necessitate giving 2 meals of meal and milk on the same day. This may be resorted to in a month or 6 weeks when milk gets plentiful
 approved

The Dietary Scale with the exception of lessening the amount of sugar for tea scarcely permits of any further change

The Officers' Rations are scarcely worth interfering with. Some of them particularly myself would stand more in need of a War Bonus in order to sustain life
 Copy of Scale enclosed for L. Denny

As we have barely sufficient farm yard manure for one acre of Land, I have asked for 10 cwt of Artificial Manure
