 Remaining in Cellar

J. M. Harvey 27 Dec 1879

In coming to last of Brown Sherry, I find 12 Bottles in excess of the quantity in my acct, this error must have arisen in returning the mixed wine at some former assays to Cellar, and not deducting it from acct as returned to Cellar - These 12 Bottles were found for on some former occasion, but as they were used now and paid for in wine acct. Return the cost £2. 8. 0 which you can apply as the Committee think right
