14th Nov 1914

Read letter from local Govt. Board enclosing communications received from Mr H. Allingham of the Mall Ballyshannon, in which he complains of a nuisance caused by pigs being kept in proximity to residences on the Mall, Ballyshannon. The Board ask for a report to be obtained from the Medical Officer of Health on the matter, a copy of which report is to be entered on the minutes together with the Council's observations.

— The Medical Officer of Health submitted the following report

" I have again examined the yard in which pigs are kept on the mall, Ballyshannon, as you have requested. There are fifty two pigs kept in the yard in four houses. The chief

sources of nuisance are manure, and putrid and rancid food. I do not think the animals can be kept in such close proximity to the street and dwellinghouses, without the sources of nuisance mentioned becoming appreciable to the ~~people~~ public. Under these circumstances I think it better to ask the owners of the animals to remove them to a greater distance from human habitation

(Signed) James Gordon M. O. H.

Minute: - "Proceedings to be taken against the owners to compel them to have the pigs removed to such a distance as will, in the opinion of the Medical Officer of Health, cause the nuisance to be abated"

D Gordon, M. O. H. submitted Report on occurrence of infections disease at Mr J M Fitzg's Hamlet Ballyshannon on 19th Oct 1914. The precaution taken was isolation.

Copy of Auditor's Report.

Ballyshannon
December, 19th 1914

Sir,

I beg to report that I have audited the accounts of the Ballyshannon Rural District Council for the half year ended September, ^{30th} 1914, and I forward herewith duly certified abstracts of the accounts for the said period.

I have surcharged the sum of eight

pounds and five shillings paid to Mr. J. Kelly, Engineer to the Improvement Scheme now in progress. My reason for making the surcharge was that the amount in question was extra remuneration over and above that to which the Engineer was entitled under the terms of his appointment dated, April, 6th, 1912.

There is a slight reduction in the arrears of rent due, but there is still room for improvement in the collection.

I am, Sir,

Your Obedient Servant,

Mauree Cosgrave,
Auditor.

PRESENT—In the Chair— Mr Wm Ward
Other Members:— Please see General Minutes

Ballyshannon,
5th March 1915.

Read letter from M. Maguire, Esq. Solicitor to the Council stating that it is much cheaper to have the costs of administration in the case of Rose Hatte, paid than having the compensation lodged in Court in respect of plot no 95. The administration costs amount to £2:11:9
Minute:— "To pay Administration Costs"

Pursant to advertisements two tenders were received for erection of Labourers Cottages one for 21 Cottages of Mr. Bride at £170 each and the other for 14 Cottages (P. Daly) £150 each. It was unanimously decided to accept the tender of Mr. Daly for 14 at £150 each ^{not} subject to approval of Local Board. The other 7 to be again re-advertised. ~~Please see special minute attached.~~
Nos 1, 2, 3, 4 to 19.

Pursuant to advertisements two applications were received for the position of Rent Collector viz Mr. Peter Meephelin and Mr. Francis Tuthill.
It was unanimously decided

Next Meeting of the Rural District Council to be held on Saturday the 20th day of March 1915

(Signed) C. M. Cowan
Clerk to the Ballyshannon Rural District Council.

on the motion of Mr P M Nulty seconded by Mr O M Gowen
That Mr Francis Tuthill be appointed Rent Collector for
the No 4 Labors Scheme of Labourers Cottages at remuneration at
rate of 5 per cent on total amount collected from tenants
-including percentage on rates in cottages in Ballyshannon
Urban District Electoral Division subject to approval
of local Govt. Board.

The following resolution was passed unanimously
re site no 72

Proposed by Mr O M Gowen
Seconded by Mr S Mulhern

That we abandon that
portion of plot no 72 on pt. 107 included in The Ballyshannon
Rural District Labourers (unopposed) Order (No 2) 1913
and that we substitute therefor that portion of plot
as shown on attached tracing which is of equal area
and much more suitable for building the cottages on.
This leaves the plot better for cropping and causes
the occupier less damage and inconvenience.

The owner and occupier have consented to this
change and we therefore request the local Govt Board
to sanction exchange of plot above referred to.

The Petition on form 4 & 6 be forwarded to local Govt Board.

The Clerk reported having got a lock on door and
a pane of glass in window of Cottage in Ballyshannon
which Mr Terence M Gowen went into possession of
on 2nd inst.

"Approved"

It was unanimously decided that the local Government
Board be requested to sanction a supplemental loan
of £ 500 for carrying out of No 4 Labourers Acts
Scheme authorized by The Ballyshannon Rural
District Labourers (unopposed and opposed) Order (No 1)
1913.

The original amount of loan applied for in this portion
of the scheme being £ 160 per cottage and we therefore
ask for an extension of this amount to £ 170 per cottage
which we believe can be obtained from Irish Land
Commission

The local Government Board are requested
to sanction issue of a further instalment
of loan for carrying out of Scheme 4.

The report of the clerk of works on the
work of erection of labourers Cottages was
submitted which showed that the work is
proceeding satisfactorily, and the quality
of the work and materials is good.
