Letter from the Local Government Board. Re. to the non-cultivation of the plots of land attached to certain labr. cottages in Mullins. Minute Tenants of Labr. cottages in Donegal Rural District were instructed last year to cultivate not only the half, but their entire plots one or two of these plots were only partly tilled and the tenants allow cattle in the winter season to go into plots and destroy fences with the result that tenants are making complaints against one another re same also some of the tenants keep fowl and these destroy their neighbours plots, Council again this season are sending a circular to tenants Labr cottages to till their entire plots
