Resolution passed at meeting on 20th September 1919

As the farmers who grew flax in this district last year were caused great loss by having to ~~travel~~ go to Strabane the nearest licensed market with their flax we wish to place the following facts before the Department of Agriculture for Ireland for the purpose of getting a monthly flax market established in Donegal town

That as the farms as a rule on which flax is grown in this district are small, that on a great number of them flax is grown in small quantities (less than an acre) that the compelling farmers to travel about 90 miles (double journey) pay freight etc has the effect of preventing the growth of flax in small quantities which is usually done in this district. that there is no necessity for this inconvenience as every facility for marketing and grading flax is available in Donegal town if proper inquiries were made (which was not done last year) that when flax was generally grown in this country there was always during the season a weekly flax market in Donegal town

As the ~~the~~ matter is pressing we hereby appoint Messrs E. Melly, D. Connolly, W. M. Dummion & A. Brown with Mr. G. Dummion Clerk of the District Council as a deputation to communicate with the Department of Agriculture and if necessary with His Excellency The Lord Lieutenant and Chief Secretary of Ireland and do all other things necessary to get this clog on the flax industry in this district at once removed

Resolution of Monaghan County Council passed
That we the members R. D. Dwyer at the
elected representatives of a population consisting
entirely of Ulstermen emphatically as Irishmen protest
against any scheme of severing our county and
people from our fellow countrymen of the South
& West

We are Irishmen and inside Ireland we know
but one nation inhabiting it
We, as Ulstermen though proud of our province
recognise no Ulster nation any more than we

4

recognise a Munster nation. The decision of a whole people at the bidding of a small minority of zealots and political wind-pullers is at once unnatural and unnatural and we pledge ourselves and our constituents never to submit to it

The following resolution was passed viz
 That we the members Donegal Rural District Council condemn in the strongest manner the proposed Education Bill about to be introduced into Parliament, a bill no person has asked nor a bill no person wants no doubt the school teachers are entitled to decent salaries but these amounts can be paid by the Government out of the amounts which Ireland has been overtaxed for the last 100 years but especially for the last 4 years of the war & that we ask all public Bodies to protest against this measure as it will mean a very heavy burden on the ratepayers of Ireland
