DIRECTIONS FOR USING  
THE  
*Pen Duplicate and Triplicate Books*

MANUFACTURED BY

**DOLLARD,** Printinghouse, **DUBLIN,** Ltd.

---

Place a sheet of one-sided carbon paper, face downwards, between the first and second leaves, and then the sheet of black board after the Duplicate. Write upon the first leaf with a Duplicator or Manifold Slip Pen, and two copies will be the result.

In the case of a Triplicate Book, a sheet of two-sided carbon paper is placed between the 2nd and 3rd leaves, and then proceed as above.

A CARBO-PLATE can also be supplied to take the place of the black board. This is a plate which grips the carbon, and at the same time provides an extra hard plate, made of aluminium, which gives an extra clear copy, and enables the carbon paper and support to be placed in position for writing and withdrawn without touching the carbon with the hands.

No. and Date. L215/31/1920 From the L. G. B. dated 18<sup>th</sup> Aug 1920 stating that it is open to the Council to increase the existing Rent of any Cottage if they are satisfied as to the ability of the Tenant to pay an increased Rent but that due regard must be given to the terms of Section 29(3) of the Labourers Ireland Act 1906. It will be necessary in any such case to terminate the Tenant's present agreement after due notice and to enter into a new agreement at the increased Rent.

4. 9. 1920. From Denis Shelan. I write to inform you that the peculiar circumstances which obliged me to retain possession of the Cottage at Dromasilla, for such a long time although not just living in ~~them~~ it compells me to keep it a little longer. I wish also to repudiate the suggestion that the cottage is not properly kept. Occasional Fires have been kept in it all winter and Spring and the windows open almost daily. The only change is that the walls seem to be - if anything - dryer than when I was living there. Certainly it has grown a bit wild around the outside. Beyond this the home is properly kept and I waive any member of the Board to inspect it and find out whether this is not true.

The Clerk was directed to write Mr Shelan and point out the defects also to ask him to have the gate replaced

with reference to the whale washed ashore at Innisfree Island. Mr De Boe wished to know what action was taken in this matter.

Mr James O'Donnell J.D.O. was called before the Board and stated that he thought it quite useless trying to do anything with this whale.

Mr De Boe asked him to meet him on Sunday morning the 12<sup>th</sup> inst at the Dingle Chapel and he would go with him and see what could be done.

### Glenties Water Supply

The Glenties District Council at their meeting on Saturday had under consideration the delay in having the water supply for the town of Glenties under the Mr De Boe's requests carried out and a resolution was unanimously adopted calling on the executors of the will of the late Charles M. Devitt to have the water scheme & other requests relating to the public benefit carried out without delay. As the carrying out of the water scheme in addition to its great benefit to the town of Glenties would give a large amount of employment as there are a large number of men unemployed in the District at present. That copies of this resolution be sent to the executors of the will viz His Grace Archbishop O'Donnell & Mr Peter Gallagher, Glenties.

Next Meeting of the Council to be held on Saturday, the 15<sup>th</sup> of April, 1922

Michael Devitt  
Clerk of the Council

Mr Dan Walsh P.C drew the attention of the Council to the condition of the drain or sewer leading from the Grange and in Dungle and wished something done with it.

The Clerk reported that a Contract was entered into in 1915 for the purpose of having this matter remedied but owing to the high wages prevailing and the difficulty in getting labourers the contract was never completed.

The Council unanimously decided to advertise this contract again and try to get a contractor to complete the job.

MINUTES of Proceedings of the Glenties Rural District Council, acting as the Authority under the above-mentioned Acts, at a Meeting held on SATURDAY, the 11<sup>th</sup> day of March 1922

PRESENT:—In the Chair,

*Mr Charles McGill*

Other Councillors:—(See General Minutes.)

Total No. Present, 11

The following Letters and other communications from the Local Government Board for Ireland or others were read, and Orders were made thereon, as follows:—

No. and Date.

10/3/1922 From The Clerk:— I have completed my inspection of the Cottages for the quarter ending March 31<sup>st</sup> 1922. I have settled most of the disputes. I have asked the tenants to have their plots cultivated during the coming Spring. I have posted up notices inviting tenders for the urgent repairs required to the roofs and chimneys of some cottages in the immediate neighbourhood of Glenties. I got some repairs done to some of the houses caused by storm recently.

Pursuant to the advertisement for repairs to the roof of the 6 cottages at the mill road 2 on the Rock and 3 at Inmasillaghy. The Council had before them the following tenders

From Rodger O'Donnell for £ 14-0-0  
From John Browne for £ 9-0-0

The Council decided to give the contract to Rodger O'Donnell in case he does the works at £ 9-0-0

No 3740 / 22 From The L. G. D dated 22<sup>nd</sup> February 1922 Re  
the minutes of the 11<sup>th</sup> February and wishing to  
know if the Clerk is qualified to act as Engineer  
and Inspector of Cottages

The Clerk was appointed Engineering Inspector in Feb'y 1916  
The L. G. D sanctioned his appointment on probation for 2 years  
After 2 years in office they sent their Engineering Inspector to  
examine his qualifications they then sanctioned his appointment  
permanently at a salary of 10/- per cottage which is very  
much less than the best in other Districts and we find  
the repairs carried out to our satisfaction. The present  
arrangement has worked out satisfactory to the Ratepayers  
and we hereby request the L. G. Department to  
Sanction this appointment on the terms specified

28-2-22 From The Inspector of Audits forwarding the Abstracts  
of Accounts for the periods ended 31<sup>st</sup> March 1920  
30<sup>th</sup> Sept 1920 31<sup>st</sup> March 1921 and 30<sup>th</sup> Sept 1921  
together with the Auditor's Report on each of same.

With reference to the payment of the salary to the Clerk  
the Council hold they were in order. No. 1. The payment  
in April 1920 was duly authorized by the Council and portion  
of the Council's resolution was sanctioned. The L. G. D did not  
approve nor did they disapprove of the other portion. This  
Council hold that they should have refused sanction if they  
did not acquiesce in the Council's resolution of the 29<sup>th</sup> Nov 1919  
although asked 7 times afterwards they gave no expression of  
opinion. Regarding the overpayments or payments without  
sanction complained of by the Auditor. The Auditor seems  
of the opinion that a separate sanction should be  
got for the Clerk's duties as Inspector of the  
Cottages also as Registrar of Dairies. As these  
are separate offices this Council beg most respectfully  
to submit that the existing sanctions should cover  
same and these offices are not governed by the  
sanction of the 11<sup>th</sup> June 1920 as already pointed  
out by this Council. This Council does respect  
their Clerk to cover a distance of 180 miles every  
Quarter to inspect the Cottages or 720 miles a year for the  
same salary as is paid to the neighbouring Clerks who  
have an Engineer as well. As the Cottages in this  
District are the best managed in the County we beg  
respectfully to request your Department to approve  
of the Clerk's appointment as Inspector at the same salary  
as when appointed in 1916 namely 10/- per cottage & Plot  
We also request you to approve of his appointment as  
Registrar of the Dairies at the salary of £20 a year and  
thus put all in order "

The Clerk submitted his Report on the state of the Cottages in the District for the current quarter early as there some repairs required and the Cottages have been neglected for some time past.

Copy of Report enclosed for the information of the Local Govt Department

10/21/1922 From Messrs McDonagh & Boland Esq dated 10th March requesting the Council to give them their Insurance

The Council has already informed these people that they have their insurance with an Irish company and they see no reason to change.

PRESENT:—In the Chair,

From The Minister for Local Govt stating that all further communications should be addressed to 70 Harcourt Street Dublin.  
"Sole attended to"

5088/22 From The Minister for Local Govt dated the 6<sup>th</sup> April relative to the surcharges made by the D. G. Department Auditor Miss O'Snell and stating that their Department is prepared to remit all surcharges of the new Council provided that they adjust your next payment so that the payments made since April 1920 to the present date be at the rate of £310-5-0 per annum.

This Council is satisfied that all the surcharges should be remitted as the expenditure had the approval of the representatives of the people on the present Council also their predecessors and they alone know best the vast amount of work to be done in this very extensive area which is larger than many of the Counties in Ireland. During the

the months of March and April the Clerk has to secure at his own expense the services of 2 and sometimes 3 men to enable him to cope with the work. Now that the Salaries are adjusted for the future we respectfully request that this matter be ended by remitting all the surcharges. We are quite satisfied that if this matter is referred to your Auditor Miss O'Farrell she will approve of this arrangement as she has a good idea of the work to be done. The difference between what you now suggest and what the Clerk has actually received is trivial £19-15-0. The Council trust this matter is now ended. This is the only District in the County where the Road Contractors are not charged one shilling 1/- each for erecting their Bonds. This alone meant a loss of £15-12-0 to the Clerk at the last half yearly meeting and in addition had to travel a distance of 40 miles each day to attend adjourned meetings at Dungleor and Kilmear for the convenience of the Contractors.

27.4.22 From Innes A A Watt notice of application for compensation for a malicious injury claim for whiskey removed from the Killybegs Station  
"no action taken"

The Requirement Book was submitted by the Clerk, and duly decided on by the Council, as indicated in Column 6, and initialed by the Chairman in Column 7.

- 10/4/22 From Dr C. E. R. Gardiner stating that he inspected the decomposed carcass of a whale which is a menace to public health. He asked the S.S.O. to have it destroyed at once.
- This Council would like to know who is responsible for the cost also under what authority should it be carried out. The Admiralty was the responsible party in the past. May this Council carry out the work. It seems to be the duty of the County Council to pay for this work now.

- 21.3.22 "The Council decided not to take any further action in this matter"

Donnell J.S.O.

From The Clerk Stating that he sent the list of the Ardara Water Rents to the Rev. D. Byrne C.C. Ardara and asked him to get the Caretaker to collect them.

22.3.22 From The Rev. D. Byrne C.C. In reply to yours I have to say that I cannot undertake to ask an unauthorised person to collect the water rents and give a receipt. In case you do not see your way to collect it yourself I think it would be better to have a collector appointed by the Council. You know that we as a public Committee have no authority to impose a rate or collect. I suggest that you collect it yourself this year as you did in former years and then take steps to appoint a collector. The Clerk reported that he collected and lodged the money owing £8-0-6. It could not be collected this year as in former years by Decreeable Order.

6235/22 From The Ministry for Local Govt dated 23<sup>rd</sup> March. Re the appointment of the Clerk as Registrar of Dairies and requesting copy of the letter of sanction. The Clerk reported that this was attended to.

"Approved"

21.3.22 From The Most Rev. Dr. Donnell Archbishop of Ardal acknowledging receipt of the Resolution re the Glenties Waterworks and pointing out that the amount available from The Dr. Devitt Estate was not sufficient to carry out this work. The Council think that steps should be taken to start the work as they think owing to the scarcity of Labour the work could be carried out cheaply.

## LABOURERS (IRELAND) ACTS (46 and 47 Vic., Cap. 60, &amp;c.)

MINUTES of Proceedings of the Glenties Rural District Council, acting as the Authority under the above-mentioned Acts, at a Meeting held on <sup>Wednesday</sup> SATURDAY, the 3<sup>rd</sup> day of May 1922

PRESENT:—In the Chair,

Mr Charles L. Gill

Other Councillors:—(See General Minutes.)

Total No. Present, 7

The following Letters and other communications from the Local Government Board for Ireland or others were read, and Orders were made thereon, as follows:—

No. and Date.

6236/22 From The Ministry for Local Govt dated 23<sup>rd</sup> March wishing to know why the Council did not accept the tender of Mr J. Browne it being the lower of the two received for the repairs to Cottages at the Rock and at Dinnisillagh. The Board have noted the Council's observations on the appointment of the Clerk as Inspector of Cottages and request the copy of the sanction of the English & G.B. also the copy of the sanction of the Clerk as Registrar of Dairies.

The Council desire to point out that they considered Browne was not so competent a workman for the job as O'Connell hence their reason for accepting O'Connell's tender conditionally namely that he accept the amount specified in Browne's tender & this he has since agreed to do that there is no loss to the Ratepayers. The Clerk reported that he relied on the portion of this letter and submitted his reply which was approved of. He also sent copies of the letter asked for.

6237/22 From The Ministry for Local Govt dated 24<sup>th</sup> March stating that they have noted that the tenant of the Cottage Plot at Acres has not yet paid the Council for the Plot and they consider the Council should insist on his doing so immediately.

The Clerk has made repeated application for the amount in this case. Legal proceedings will be taken as soon as possible.

9207/

The Clerk reported that the C.D. Board had noticed the Tenants of the Cottages not to let this season and that he took the matter up with the C.D. Inspector. He submitted the letter written to Mr Agnew which was approved of - Copy enclosed for the information of the A.G.D. -

21.4.22 From Alex Agnew. C.D. Board office Donegal acknowledging receipt of the Clerk's letter of the 18<sup>th</sup> and stating that the C.D. Board are in a position to grant Turbham rights on defined plots. They cannot convey the plots in fee simple because the plots form part of the Tenants Holdings. On the 7<sup>th</sup> April 1919 you wrote the Board that your Council could not buy Turbham rights for their Cottages and that you wish me to ask the Board to issue Renewable orders for the purchase price. I am not aware of any provision for the purchase of a Turbham right by a District Council by means of a Land Commission advance as suggested in your letter.

31-3-22

The Council would like to get the advice of the Local Gov. Board as to the procedure to be adopted to acquire the Turbham rights for these Tenants on the C.D. Board estate. There are 45 cottages concerned for which Turbham rights are a necessity. The purchase of these will involve an expenditure of about £300. The Tenants are willing to pay the increased rent. The Council do not see their way to invest money in plots if they can avoid it. The Council would like if some scheme could be devised to sell these cottages to the Tenants. Copy of the letter to the C.D. Board enclosed"

9207/22 From The Ministry for Local Govt dated the 12<sup>th</sup> April expressing their sanction to the appointment of Mr McVethie as Clerk as Inspector of the Cottages in the Rural District at the remuneration of 10/- per cottage. "Approved"

16.3.22 From Charles L. Brennan Clerk of the Comr Ardara wishing to know if the Council intend going on with the case against Francis Harkin.

*Circular* The Clerk reported that he interviewed Harkin and he now expresses his willingness to pay the Rent and has paid some £12.20 that no recent arises for taking further action. The Council approve of the Clerks action in dropping these proceedings.

3.4.22 From R. A. Wilson Clerk of the Peace Lifford Re John 4733 Conty No 10 Plot 24a. Stating that he has been directed by the Dist. Inap Department to send enclosed letter and tracing.

31-3-22 From The Land Registry. The Boundaries of the above plot as shown on the map lodged by the Council in the office for registration purposes do not agree with those defined on the Congested Districts Board re-sale map (see tracing). Kindly request the Engineer to measure the matter on the ground and if the Councils map is incorrect a new map duly certified should be lodged for transmission to the office.

The Clerk reported that he inspected and measured the plot and found that our map seems to be correct. He recommended the Council to refer the matter to the Council Engineer Mr John McInerney C.E. Letter being who could meet the C.D. Board Engineer on the spot and adjust the differences which was slight. which was approved by "

From Mrs Mary Early application for a Cottage  
at Kilclooney which is vacant

"Granted"

The Clerk reported that he visited the  
Tenants of all the Cottages in the  
Rural District and asked the  
Tenants all to put down a good crop  
this year.

Circular 60. From The Ministry for Local Govt dated the 19<sup>th</sup>  
March 1922 Relative to the repairs of Cottages in  
the Rural Districts and pointing out the

From John Boyle Drinconnore application  
for a vacant Cottage near Glenies

The Clerk stated that Denis Shelan was  
praying rent for a cottage which was  
not occupied for the past 3 years  
also that James O'Connell did not  
occupy the cottage at the Mill Road  
but he was putting down a crop in  
the plot and he said he would soon  
go to live to the house.

Denis Shelan to be informed that he  
must occupy the house or keep  
fries in it. Unless he does he  
will be required to give up possession

MINUTES of Proceedings of the Glenties Rural District Council, acting as the Authority

under the above-mentioned Acts, at a Meeting held on <sup>Monday</sup> SATURDAY, the 12<sup>th</sup>

day of June 1922

PRESENT:—In the Chair,

Mr John S. LeDwyre

Other Councillors:—(See General Minutes.)

Total No. Present, 11

The following Letters and other communications from the Local Government Board for Ireland or others were read, and Orders were made thereon, as follows:—

No. and Date.

- 22-5-22 From The Ministry for Local Govt Relative to the procedure to be adopted with reference to a Solicitors Bill of Costs.  
"Jobe attended to"
- 12330/22 From The Ministry for Local Govt acknowledging receipt of the Paying Order for £12-12-0 for the Audit of the V.A.P.s of Glenties Council  
"Dead"
- 12375/22 From The Ministry for Local Govt Re the remittance of surcharges made by the Auditor. This Council again respectfully request the L.G.B. to remit all these surcharges as these were incurred under very exceptional and trying circumstances and with the consent and approval of the Council as the representatives of the Ratepayers. The Ratepayers do not object to these payments. The Board and particularly the Clerk had to provide food and clothing out of their tender resources to overcome the difficulties placed in their way during that trying period so that they cannot afford to pay any more. In case the L.G.B. insist upon payment of these surcharges the Board will be forced to resign in a body as a protest against such uncalled for action. We may also point out that any attempt to collect these surcharges would be futile as the persons surcharged have no visible means. As we are entering on a new year and under a new Govt we respectfully submit that these slight irregularities be overlooked. If the Council had been under the old L.G.B. we are satisfied the payments would have been sanctioned.

14670/22 From The Ministry for Local Govt acknowledging receipt of the Abstracts of the A/CO for the March Half year

12377/22 From The Ministry for Local Govt respecting the Councils proposal to acquire the turban rights for the Tenants of the Cottages from The Congested Districts Board Estate also requesting copy of letter sent to the C.D.B. The Clerk reported that on receipt of the above, he sent the copy of the letter. The Council think that some arrangement should be made with the C.D. Board to give the Tenants of the Lalomon Cottages 200 Plots as the Council cannot purchase 2 lots for 25 Tenants which will involve an expenditure of about £300

315-22 From Mrs. E. O'Donnell Tenant of Cottage No. 28 requesting the Council to repair the Chimney and the Floor of her Cottage

The Clerk reported that he attributes the bad floor to Lindeman which he asked her several times to have removed. The Council think that this lady being a school teacher they will not object to her doing these repairs herself.

From The 6 Councils General Council requesting particulars of the Insurance of the Council and Guardians.

The Clerk reported that this was attended to

Re James Sweeney's Plot at Acres

The Clerk reported that he wrote this man several times and got no reply he placed the matter in the hands of Mr. B. A. O'Connell, Director as directed at last meeting

12-6-22

The following gentlemen appeared before the Council as a Deputation from the Ratepayers Association namely Messrs W. Gallagher - Charles Boyle with Mr. Boyle & Mr. C. McKelvey

The Deputation complained of the high rate and exhorted the Council to use their powers to curtail expenditure.

The Chairman pointed out that he was very pleased to find a Ratepayers Association in working order and further stated that this Council had very little to do with the administration at present. The County Council was the proper authority at present to apply to for curtailing the expenditure.

Donegal County

Next Meeting of the Council to be held on Saturday the 15th day of July 1922  
Signed, Michael M. O'Shea  
Clerk of the Council

12-6-22 From The Clerk as Inspector of the Cottages stating that he had made several inspections of the Cottages and Plots for the past 3 months with a view to urging them to cultivate their Plots also to clean up their Houses. I find the following repairs would be required as soon as the Council is in a position to have them carried out.

Painting all the External Wood and Iron Work at a cost of about 30/- per cottage

- The following repairs are urgent for the Cottages as numbered
- No 12 - one Tile off also a crack in chimney cost about 5/- 6
- No 15 - This Roof & Chimneys require to be pointed with Gracie also the Windows require to be repaired cost about 30/-
- No 25 - Roof of shed requires a prop also a crack in the Chimney cost about 15/- (After July)
- No 48 - very slight leak in roof of asked Tenant to see to this
- No 51 - Crack in East Gable requires to be filled with and cemented cost about 10/-
- No 53 - Chimney of this house had requires to be attended to at once estimate cost of repair at 30/-
- No 64 - Slade off other loose. The repairs cost 10/-
- No 66 - A drain so require to let away a pool of stagnant water cost about 15/-

The Contractor Peter and Roger O'Donnell are carrying out the repairs to the Cottages in Inmacollagh in a very satisfactory manner. As we have some old paint on hands I would strongly recommend the Council to paint the Cement of the 6 Cottages on the Mill Road. The Holes and Cracks on the Cement to be filled with Gracie Cement. Seeing that the Council has on hands sufficient Paint it only means the cost of Labour and the Oil and Turpentine. To estimate the cost of the extra materials and Labour at about £5 five pounds.

The Council decided to have these urgent repairs carried out and the Local Govt Dept is requested to approve of same. Total outlay not to exceed the sum of £12-00

Next Meeting of the Council to be held on Saturday, the 15 day of July 1922

(Signed) Michael Litchie  
Clerk of the Council.

No. and Date.

In accordance with notice on the Agenda for this day, the Council had under consideration the question of co-opting members in room of Dan Mulhearn resigned also John H. Byrne, Donnacross and John Doherty, Coquish disqualified owing to non attendance.

Proposed by James F. O'Donnell seconded by Charles McGill and resolved unanimously "That Mr Daniel Mulhearn be and is hereby re-elected a member of the Council"

Proposed by Michael O'Donnell seconded by Charles McGill and resolved unanimously that Mr Patrick Byrne (Hugh) be co-opted to fill the vacancy created by his brother Hugh joining the Civic Guard"

Proposed by Michael Doyle, Seconded by W. L. Cunningham

 Proposed by Paddy Conaghan Seconded by M. O'Donnell  
 That Mr Henry Campbell be co-opted  
 on a division there voted for McLoone 5  
 and Campbell 7. Mr Henry Campbell  
 also was present also Mr Dan O'Mulhann  
 signed their declaration of acceptance of office

The Clerk submitted the Correspondence with the Colonial  
 Secretary and the County Surveyor of the Scheme  
 for the Relief of Distress in the District also  
 a Proposed Scheme of Road Improvement from the  
 County Surveyor when the following resolution  
 was arrived at and a fresh scheme submitted for  
 Particulars see Page (302)

Proposed by Mrs Alice Dweeney Seconded by W. L. Cunningham  
 That the paragraph of the L. S. D. letter to the  
 Secretary to Council and transmitted to this Council that  
 all the money allocated for the Relief of Distress  
 should be expended only on scheduled roads  
 does not meet with the approval of this Council  
 as all the main roads of the Glenties Union are  
 at present under 3 year contract and maintained  
 out of the Rates and that this expenditure will bring  
 these roads when completed into perfect order. On  
 the other hand there are large numbers of roads  
 in this Union which are not scheduled (a list of  
 which has been submitted to the Council) which  
 serve large & populous tracts but are at  
 present impassable and the Council would  
 ask the Council and the L. S. D. to adopt the  
 Scheme sent in to the Council as in addition  
 to relieving a large amount of distress by creating  
 employment these roads would benefit the  
 residents of these localities very much.

"See Page 302"

The Requirement Book was submitted by the Clerk, and duly decided on by the Council, as  
 indicated in Column 6, and initialed by the Chairman in Column 7.

No. and Date.

23. 8. 22 From The Secretary The County Council directing the Clerk to summon a special meeting of the Council for the purpose of formulating a scheme which is to be transmitted for submission to the County Council at once. The amount allocated to Glenties Rural District for the Relief of Distress is £7000. It also pointed out that the Department will not sanction expenditure on new roads.

25. 8. 22 From The Secretary The County Council Re Relief of Distress and returning the scheme sent to the Council in July last.

The County Surveyor stated that he understood that the scheme for the Relief of Distress was already formulated.

## FINANCIAL MINUTES.

In view of the fact that we understand that the Local Govt Department Inspector has formulated a scheme for the relief of Distress in this District without consulting the Representatives of the People this Council cannot see their way to formulate a scheme as suggested.

After a considerable amount of discussion it was decided to modify the scheme remaining by the County Council in Dublin and to forward same to the County Council for their guidance.

The County Surveyor reported that owing to the fact that the County Council refused to pay the men he was reluctantly compelled to stop the work in the remaking of the road from Glenties to Innaas.

It was unanimously resolved to direct the County and Assistant Surveyor to examine the Report of this Road leading from Glenties to Innaas in respect of any orders of the County Council and that the County Council Secretary be and is hereby directed to have this work completed as it is a danger to the Public at present.

The Clerk submitted a number of malicious Injuring Claims to action taken thereon.

The following Letters and other communications from the Local Government Board for Ireland or others were read, and Orders were made thereon, as follows:—

No. and Date.

19/138 / 1922 From The Ministry for Local Government stating that they have been in communication with the Board in the matter of the Turbary Rights for the Tenants of the Labourers Cottages and suggesting that the Council obtain a short term loan from the Treasurer in order to purchase the Turbary Rights on the terms offered by the L.G. Board and then they could give the scale of monthly payments to be repaid by the Tenants to meet the Annual instalments payable to the Treasurer in respect of Principal and Interest. If the Council are not prepared to obtain a loan, the Ministry consider that they should instruct the Clerks to co-operate with the Congested Districts Board Inspector in getting the Tenants to make their own arrangements with Land holders who have surplus turbary as this would appear to be the only alternative method of dealing with the matter for the present.

"To be considered at next meeting."

1-11-22 From Denis Shelan Postman Slentes  
stating that he is giving up the cottage  
which he held at Drinmasillagh.

on a division there voted for O'Donnell 9  
and Molloy 8.

21-12-22 From The Secretary The County Council forwarding an account for £11-17-6 which he received from Mr James O'Donnell Sub-Danitary Officer being expenses incurred in connection with the destruction of a whale and pointing out that the liability of the County Council seems to be confined to cases where the carcass washed ashore is destroyed under the direction of the Receiver of wrecks and if the action of the Danitary Sub-Officer was taken in the course of Danitary duty the matter would be one for the consideration of the Danitary Authority.

" This Council wish to point out that this expense was incurred without any authority from this Council. There was no Receiver of wrecks available at the time. This Council is satisfied that it was convenient to 27 houses on the Island and can be regarded as a nuisance but it is a case that should have been dealt with by the Receiver of wrecks if such an officer had been in existence at the time. This Council in order to avoid further correspondence will deal with it under Section 110 of the Public Health Act 1878. *Read*

The Clerk reported he interviewed all the tenants concerned re the Turbary Rights and he finds that some of the tenants have acquired the bogs themselves others have made private arrangements with the owners. Some of the tenants have refused to take the bogs which the Congested District Board Inspector was in a position to give. He sees no way out the matter only let each individual tenant make provision for his own fuel.

The Council considers it would be a waste of Public Money to buy bogs for these tenants and they decided not to take any further action in this matter.

14.2.1923. From Patrick Bourke's Rent Collector I beg to report that Francis Harkins Eden who occupies a labourers cottage has not paid any rent for 12 months also Patrick Kelly Ardara has failed to pay any rent for 5 months Denis Phelan Postman Glenties has vacated his cottage on the 27<sup>th</sup> Nov 1922 and refused to pay the months rent which is due.
