DIRECTIONS FOR USING
THE
Pen Duplicate and Triplicate Books
MANUFACTURED BY

DOLLARD, Printinghouse, **DUBLIN,** Ltd.

Place a sheet of one-sided carbon paper, face downwards, between the first and second leaves, and then the sheet of black board after the Duplicate. Write upon the first leaf with a Duplicator or Manifold Slip Pen, and two copies will be the result.

In the case of a Triplicate Book, a sheet of two-sided carbon paper is placed between the 2nd and 3rd leaves, and then proceed as above.

A CARBO-PLATE can also be supplied to take the place of the black board. This is a plate which grips the carbon, and at the same time provides an extra hard plate, made of aluminium, which gives an extra clear copy, and enables the carbon paper and support to be placed in position for writing and withdrawn without touching the carbon with the hands.

The following Letters and other communications from the Local Government Department for Ireland or others were read by the Clerk, and Orders were made on them, respectively, as follows:—

No. and Date

Oct 15th 1922 From Mr Sean O'Connell Local Govt Inspector with reference to the entry in minutes of the 14th inst relating to the appointment of a Medical Officer for the Carrick Dispensary District and pointing out that the National Benefit Committee is responsible for the administration of the Medical Charities Act and shall appoint the various Medical Officers.

This Committee wishes to know what members constitute the Committee. On the list furnished by the County Council we have only (7) seven members. This Committee is of the opinion that all the members of the Committee of Management of the Fund some residents in this District are Ex Officers members of the National Benefit Committee see Rule 164 of the Committee.

It was unanimously resolved on the motion of Michael O'Donnell seconded by James Carr to appoint Dr Christopher Byrne temporary Medical Officer of the Carrick District at a salary of £3-3-0 Three pounds three shillings a week until the Doctor is appointed and "take up duty"

31/367 From the Local Govt Department requesting a Return on presented forms relating to the Maternity Nurses and the Doctors

"The Clerk reported that this was attended to"

From Dr W. J. O'Doherty Carrick. Dear Sir Mr. O'D. Your letter of the 16th inst. received & note what you want done. Please send Instrument list form. I will complete it and leave the instruments and list with the R.O. Maurice Byrne. During the Black & Tan regime my bag with bags & instruments was taken by the IRA & I found it at foot of Glengeshi next evening. Needless to say that a lot of the instruments were left useless and some lost. All those I had to replace at my own expense as at that time if I had reported the matter it might have been interpreted in a different light. Anything I have belonging to the Union I will put

Medicine, etc., Business.

Put on the list and get them under the care of Francis Byrne until the new Dr is appointed. I must thank the Council and yourself for the expressions of regret at my departure.

The members of the Council do not agree with the Doctor's remarks re the Instruments

17-10-1922 From John Keane Analyst relative to the Drugs unfavourably reported upon stating that he is communicating with Messrs O'Brien Board on the subject and he will let us know the result. "Read"

The Clerk submitted the half yearly reports from The Ardara and The Shillybegs District District. The medical officer of the Shillybegs District again draws attention to the midwife not residing in the District.

This Committee cannot understand the attitude of the Local Govt Department in this matter. The Committee must insist upon her removal from office. The Committee now decide to pay her no further salary. She is now paid to end of September 1922 and the L.G.D. is requested to approve of their action in this matter.

It was unanimously resolved on the motion of John E. Boyle & seconded by Daniel O'Leary

Derry Ramblers v. Ramelton Rovers.

In splendid weather, and before a very large crowd, Mr. Ross (referee) set the above teams in motion. The opening exchanges were fast and exciting, and the large crowd of spectators took up vantage points on the touch-line in anticipation of a keen and hard-fought game. Neither team, however, rose to expectations. The backs and halves of both sides seemed to be content to keep the opposing forwards out, and neglected to feed their forward line, with the result that passing was at a minimum, and except for an occasional individual effort, the goalkeepers got very few shots to deal with. A penalty for the Ramblers towards the end of the first half looked very hopeful for the Derry boys, but their luck was out, the ball just grazing the cross-bar. The second half was practically a repetition of the first. Fast exchanges and keen tackling was the order of the day, until the whistle went for full-time, with the score sheet blank.

To sum up, the Ramblers were the better balanced team, and had hard luck in not scoring in the second half. Ramelton was brilliant individually, but very little combination, and were lucky to effect a draw.

Visitors to Rathmullan on Sunday have a treat in store for them, as it very seldom happens that two replays take place in the one day.
