The following letters and Reports were read, and Orders made thereon as follows:—

From Mr. P. Moran to the Rural District Council, dated 7th October 1909, regarding the receipt of a bill for the repairment of the drainage system of the Letterkenny Rural District Council in connection with the drainage of the Letterkenny labourers cottages.

As Mr. Moran's bill was received on 7th October 1909, the Rural District Council resolved to refer the same to the Committee on the Letterkenny labourers cottages, and to direct the Clerk to call on Mr. Moran to produce a bill for the repairment of the drainage system of the Letterkenny labourers cottages, and to direct the Clerk to call on Mr. Moran to produce a bill for the repairment of the drainage system of the Letterkenny labourers cottages.

and having certified the same to be due by the Rural District Council, they cannot accept any less sum than the amount so certified.

And that a paying order for the latter amount should be forwarded to the Board at once.

The Letterkenny Rural District Council wish to point out the fact, that as the Local Government Board certified this amount without consideration of the facts as reported in previous minutes, the Local Government Board is requested to investigate this matter further, or claim the Balance from the Arbitrator as being paid him in excess of the proper amount, as the Council maintain this was a private Bill as the Hotel Proprietor offered his books for scrutiny before said order was made by the L. As having certified the same to be due & the
Labourers' Committee, they cannot accept
any less than the amount so certified.
It is that a copy of order for the late amount
has been forwarded to the Board of
the Labourers' Committee. It is the fact that as the
amount certified is in excess of the amount
reported in previous minutes
the Board of Management is requested
to investigate this matter further, or claim
the balance from the architect as being
paid him in excess of the proper amount
as at present main line there was a
private bill as the Hotel Proprietor
offers his books for scrutiny before
the paying order is again returned
to the Board.

In these dates 23 Sept 1909 in reference
to the representation in connection with
the Labourers' Cottages

The Board has to submit proposals

The Council begs to draw the attention of the L.F. Board to their minute of 3rd Decr 09 on this subject which is as follows:-
That the Clerk be allowed £2.2.0 fee for inspecting the ambulance for this Council together with his out of pocket expenses necessarily incurred on journey.

Concrete floor in at least one cottage
will have to be relaid also part of the
exterior plastering. The cottage in
Whitehill (Lortan) is practically abandoned
by the Contractor and I fear the Council
will have to undertake and complete
the work in the early Spring. - The
cottage is roofed & the window frames are
on the ground.

Two occupiers of cottages considered
the gates too high - but he would
recommend the Council to grant any
labourer permission to raise or lower
the gates to suit his own convenience.

Approved of Scheme B.

Mr Derry has not yet repaired
the roof of Miss Kelly's cottage damaged
by blasting operations and recommends
the Council to call upon Derry to
have it repaired.

The following Letters and Reports were read, and Orders made thereon as follows:—

from Mr. O'Sullivan by letter dated 17th Jan. 1910 for a copy of the minutes of the meeting held on 17th Jan. 1910.

Application for compensation for injury to Mr. O'Sullivan's horse while working on the 17th Jan. 1910. The horse was injured by the fall of a stone from the roof of the cottage.

From Mr. O'Sullivan dated 17th Jan. 1910. Some letters were shown to the Council referred to Mr. O'Sullivan to have a copy prepared so soon as possible. Mr. O'Sullivan and Mr. O'Sullivan were in the office on the 17th Jan. 1910.

Final instalments are not yet paid to the Contractors the matter was referred to the Engineer

In L1779 dated 17 February 1910 stating that they will consider the propriety of confirming the Regulations when the requirements referred to in the memo of instructions sent on 23 Sept. last have been complied with.

The Clerk stated that the advertisement had been issued by him in the Irish Daily Telegraph on 28 February 1910.

Mr. O'Sullivan reported that owing to the severity of the weather for the past three months masonry work had to be abandoned.

Six cottages of the recent scheme are not yet ready for tenants as the contracts are not yet completed.

Some of the Contractors are very slow in finishing up, and one of them John McManus writes threatening law, unless payment is made him - he has got directions to carry out some details, and it is hoped these will soon be completed if the weather permits.

From Mr. O'Sullivan by C.R. dated 4 March 1910 - as follows: - You are no doubt aware that the 28 cottages now to be carried out are the balance of the scheme which included 18 cottages, when my fees were fixed before proceeding with above scheme it was intended to have all contracts taken at the same time, but owing to the agreements made between the District Council and the occupiers of the 28 sites, not being sanctioned by the L. & B. Board the balance of the scheme was delayed until the present, with

the result that this number of Cottages (28) will give me as much trouble and work as the entire Scheme if carried out as anticipated. I would therefore request the District Council to be good enough to reconsider the resolution fixing my fees for the Scheme and amend it so as to allow me my original fees on the 14 sites of Cottages, for which I am only to be paid as per L. 4. Board Scale. I hope the Council will understand the equity of my application and give it their careful consideration and grant my application.

Notice of Motion
I will at the next monthly meeting of the R. S. Council on 1st April propose that Mr. O'Malley be allowed the original fees agreed to between the Council and him under former Schemes, owing to the extra work to be performed by him seeing that all the Cottages were not built at the same time (28) still being to erect and the duty to be performed in completion of these will entail as much labour on his part as if the whole number had been erected at same time.

James Bonner of Ray a labourer of a Cottage applied for £3.10.0 compensation for stubbing trees & levelling a fence in his plot. Mr J. J. Lecky proposed that he be allowed £3. seconded by W. Montgomery. Mr J. W. Reid proposed as an amendment the claim be not entertained - on a vote being taken the motion was lost by a majority of 6 votes.

Notice of Motion
I will at the next monthly meeting of the R. S. Council on 1st April propose that Mr. O'Malley be allowed the original fees agreed to between the Council and him under former Schemes, owing to the extra work to be performed by him seeing that all the Cottages were not built at the same time (28) still being to erect and the duty to be performed in completion of these will entail as much labour on his part as if the whole number had been erected at same time.

James Bonner of Ray a labourer of a Cottage applied for £3.10.0 compensation for stubbing trees & levelling a fence in his plot. Mr J. J. Lecky proposed that he be allowed £3. seconded by W. Montgomery. Mr J. W. Reid proposed as an amendment the claim be not entertained - on a vote being taken the motion was lost by a majority of 6 votes.
