Information Systems
Project Leader

Information for Candidates

September, 2020
1. **The Position**

The Council is seeking applications from suitably qualified candidates with relevant experience for the position of Information Systems (IS) Project Leader.

It is proposed to form a panel of qualified candidates from which any vacancies which arise will be filled during the lifetime of the panel.

The successful candidate will report to the Council’s Head of Information Systems.

2. **Role, Duties & Responsibilities**

Donegal County Council is a large rural Local Authority with an extensive ICT infrastructure serving in excess of 100 locations countywide and 1100 employees. The Information Systems Department manages this network, one of the largest Local Authority networks in Ireland, as well as delivering a corporate information systems programme designed to support Council internal work-programmes and customer services initiatives.

The Information Systems Department also leads out on the development of countywide telecommunications and a digital development programme targeted to support economic development and community enhancement.

The Council is embarked on a major upgrade of its networking, communications and corporate software support architectures. To successfully deliver these initiatives the Council is seeking to recruit suitably skilled and experienced ICT personnel at various levels.

The IS Project Leader is a supervisory position within the Information Systems Department structure and is responsible for the management of complex multi-disciplinary ICT projects. Information Systems Project Leaders are responsible for the management and delivery of the Councils ICT services throughout the Council.

This is a leadership role in the advancement of ICT services and policies and the development of business cases to support the implementation of new infrastructure or systems through engagement with internal stakeholders and third party suppliers.
The ideal candidate should be highly motivated with a commitment to delivering ICT services to the highest standard and to deliver strategic change for the benefit of Donegal County Council.

**Key Responsibilities**

- Supporting the Head of Information Systems in the development and management of the organisation’s Information Communications Technology (ICT) and Information Systems (IS) strategies;
- Evaluating and developing the potential of modern ICT to enhance the business objectives of the Council and ensure maximum impact of emerging technologies;
- Contributing to strategic and operational work plans for the I.S. Department to ensure that all necessary ICT tools, processes and systems are in place to meet the requirements of the business and contribute to the achievement of the organisation’s short and long term goals;
- Building the capacity of the organisation to maximise ICT opportunities;
- Investigating and recommending new technologies that could contribute to the improvement, efficiency and enhancement of existing systems;
- Ensuring the security and integrity of Council data and ICT infrastructure;
- Procuring ICT hardware, software and licenses including contract negotiation;
- Procuring and managing appropriate external technical support services ensuring service quality, standards and targets are achieved;
- Effective leadership and management of ICT staff.

**Duties**

The day to day duties of the post of Information Systems Project Leader include, but are not limited to the following;

- Manage the analysis, specification and deployment of Corporate Applications and upgrades to an agreed methodology to achieve successful outcomes;
- Manage complex multi-disciplinary ICT projects and provide leadership on the delivery of ICT services throughout the Council;
- Actively review, improve and manage ICT security initiatives;
- Advise on the technical specification relating to the procurement of new information systems or ICT infrastructure;
- Negotiate between the Information Systems function, other directorates, and external suppliers to resolve technical or contentious issues and conflicts to ensure that projects and services are delivered on time and within budget;
- Provide leadership on emerging technologies and best practice;
• Assist the Head of Information Systems in developing long-term, strategic plans, for the development of ICT capabilities within the Council;
• Establish and manage service level agreements for contracted services and suppliers;
• Provide Technical assistance and guidance in the area of GDPR and Data Protection;
• Contribute to the development and review of ICT policies;
• Input into the ICT department budgeting and service delivery planning processes;
• Leading a technical team in the administration and support of an enterprise ICT Environment;
• Managing a Project Team in the implementation of ICT Projects, on time and under budget;
• Design, implementation and support of a Disaster Recovery environment and knowledge of technologies such as backups, replication, de-duplication, recovery and restores;
• Procurement and award of high value contracts for ICT hardware and systems;
• Management of staff and a commitment to developing staff through Performance Management, training and on the job experience;
• Deliver on the telecommunications requirements of Donegal County Council including VoIP and video conferencing systems;
• Other duties as may be assigned from time to time.

Competencies
It is desirable that the candidates can demonstrate competency under the following headings:

Management & Change
• Ability to think and act strategically to ensure functional responsibility is properly aligned with corporate policies and strategies;
• Clear understanding of political reality and context of local authority operations;
• Ability to embed good governance practices into day to day activities, practices and processes;
• Ability to develop and maintain positive and productive professional relationships both internally and externally to the local authority;
• Effectively manage change, foster a culture of creativity in employees and overcome resistance to change.
Delivering Results
- Acts decisively and makes timely, informed and effective decisions;
- Pinpoints critical information and address issues logically;
- Develops operational and team plans having regard to corporate priorities operational objectives and available resources;
- Establishes high quality service and customer care standards;

### 5. **Recruitment Process**

#### A. Application Form

- Applications must be made on the official application form and all sections of the form must be fully completed.
- Please do not submit a CV with your application. Only information contained in the application form will be considered when assessing a candidate’s suitability for the post.
- Applications must be submitted as an e-mail attachment in either Word or PDF format only by email to [vacancies@donegalcoco.ie](mailto:vacancies@donegalcoco.ie)
- Applications must be received by the deadline specified on the form.
- Applications that are late, lost or delayed will not be considered unless official evidence showing that the application was sent within the timeframe can be produced.

#### B. Short Listing

Candidates may be short-listed for interview on the basis of information supplied. In the event of a short-listing exercise being required, an Expert Panel will convene to examine and assess the application forms against a set of pre-determined criteria, based on the requirements of the job. It is therefore in your own interest to provide a detailed and accurate account of your qualifications and experience on the application form.

Where it is considered, by reason of the number and standard of applications received, that it would be reasonable not to admit all candidates to the interview, only persons likely to attain at the interview a standard sufficient for selection and recommendation for appointment shall be called for interview.
C. Right to Information and Review

The Council is committed to offering feedback and information to candidates. Any candidate who wishes to do so may request to have a decision or the process reviewed. Any such request must be submitted in writing, stating the grounds of the request and this must be submitted to the Human Resources Department, Three Rivers Centre, Lifford, Co. Donegal within five working days of the date of notification of a relevant decision.

D. Confidentiality

Subject to the provisions of the Freedom of Information Act 2014, applications will be treated in strict confidence.

E. Other

Appointments to the Council are subject to satisfactory checks with regard to references, qualifications, medical examinations, and Garda Vetting, as applicable.

F. Canvassing Will Disqualify

Any attempt by a candidate (or by any persons acting on their behalf) to canvass or otherwise influence any officer of the Council (or persons nominated by it to interview or examine applicants) in the candidate’s favour, either directly or indirectly, by means of written communication or otherwise, will automatically disqualify the applicant for consideration for the position.
