

3ú Bealtaine, 2023

**GACH BALL DE CHOISTE NA nOILEÁN
EACH MEMBER OF THE ISLANDS COMMITTEE**

A Chara,

Beidh an chéad cruinniú eile de choiste na nOileán ar 9^ú lá de mhí na Bealtaine 2023 in oifigí na Comhairle Condae ar an Chlochán Liath ag a 10 a chlog r.n.

The next meeting of the Islands Committee is scheduled for May 9th, 2023 in Dungloe PSC, commencing at 10.00am.

Tá clár an chruinniú leagtha amach anseo.

The Agenda for the meeting is set out hereunder.

Iarrtar ort a bheith i láthair ag an chruinniú seo.

Please arrange to be in attendance.

Mise le meas

Micheál Rowsome

Bainisteoir Ceantair

Seirbhísí Corparáideacha

Ar son Riarthóir Cruinniú

CLÁR AGENDA

1. (a) Miontuairiscí Cruinniú 14ú Feabhra, 2023.
Consideration of Minutes of Meeting held on 14th February, 2023
- (b) Néithe ag éirí.
Matters arising from the Minutes.
2. Tógraí Oileán - Island Projects
3. Aon Gnó Eile - Any Other Business

MINUTES OF ISLANDS COMMITTEE
HELD IN DUNGLOE PSC ON 14th February 2023

MEMBERS PRESENT: Cllr Anthony Molloy (Cathaoirleach)
Cllr. Michael McClafferty
Cllr. Noreen McGarvey
Cllr. Micheal Choilm Mac Giolla Easbuig
Cllr. John Sheamais Ó Fearraigh
Cllr. Marie Therese Gallagher
Mairín Uí Fhearraigh
Noirín Uí Mhaoldomhnaigh
Laird Dinsmore
Marjorie Uí Chearbhall
William Boyle
Eddie Joe McGee
Séamus Rodgers

OFFICIALS PRESENT: Michael McGarvey - Director of Water & Environment Service
Michael Rowsome, A/Area Manager, Corporate & Housing
Jamie Gallagher, Roads Engineer
Donna Callaghan - Area Planner
Anne Marie McCole - Community Dev. Staff Officer
Mary Boyle, A/SSO, Housing & Corporate
Eugene Allan, Ast.Engineer, Martine Engineer
John McCarron, SEE, Water & Environment

OTHERS IN ATTENDANCE:
Dónal Mac Giolla Chóill - Aistriúcháin Comhuaineach
Máire Uí Mhaoláin, Comhar na nOileáin
Charlie Boyle, Customer Experience Excellence Ireland (CXEI)
Noelle Smullen, Customer Experience Excellence Ireland (CXEI)
Sally Rodgers, Customer Experience Excellence Ireland (CXEI)

IC 01/23 Minutes of Meeting

On the proposal of Cllr. Mac Giolla Easbuig, seconded by William Boyle, the Committee agreed the Minutes of the meeting held on the 8th November 2022 in Dungloe Public Service Centre.

IC 02/23 Blueways Presentation

Charlie Boyle from CXEI made a detailed presentation to the Committee in relation to a feasibility and development plan for a Blueway to the Small Islands to link up with the Arranmore/Burtonport Blueway.

The following items were addressed during the presentation:

- Reversal of decreasing population levels
- Methodology
- Principle Motivators
- Barriers to participation
- Policy context
- Community Led Tourism - recommendation

Noirín Uí Mhaoldomhnaigh provided the Committee with further information on the Blueway Project and Tourism promotion on Arranmore and the necessity to incentivise entrepreneurship on Islands.

The representatives from CXEI and Comhar na nOileáin agreed with the request from William Boyle to include Owey island within the feasibility study.

Members unanimously praised the Blueway Initiative and all those involved in progressing the project to date.

Cllr. Mac Giolla Easbuig proposed that Council Staff and Members convene a further meeting in relation to Blueways.

IC 03/23 Arranmore Island

Noirín Uí Mhaoldomhnaigh commended the high standard of roadworks on the Island and requested assistance from the Council on the following items:

- Road projects at Upper Leabgarrow to Stacamór Pier, Cloghcorr and Ballard to Loch na Muc.
- Provision of a barrier on the Lighthouse road.
- Provision of plastic recycling facilities.
- Repairs to deck of both Aphort Pier and Polawaddy slipway.
- Extension of Aphort slipway.
- Repair of Stacamór pier and installation of crane.
- Upgrade of Aphort pier crane.
- Conversion of ferry pier crane from diesel to electric.

IC 04/23 Tory Island

Marjorie Uí Chearbhall requested the assistance of the Council to progress projects as follows:

- Magheroarty pier study.
- Completion of helipad surface.
- Repair of steps to facilitate safe access to the ferry.
- Confirmation regarding service/department with responsibility for coastal protection / sea wall.
- Upgrade to playground.
- Relocation of storage containers.
- Provision of shelter for ferry passengers.
- Provision of fence around recycling centre.

Cllr. Mac Giolla Easbuig expressed disappointment that there has been no development regarding the provision of a new boat for Tory Island and also highlighted concerns regarding issues pertaining to the Magheroarty toilet facility within the Údarás building.

Cllr. Ó Fearraigh repeated previous requests for an upgrade and provision of an adequate Fire Service on Tory Island. He also requested the tarring of the Car Park at Magheroarty.

Cllr. McClafferty requested the Council to seek a meeting with the relevant Minister regarding the provision of a coastal protection wall and also highlighted the necessity for toilet facilities on all Islands.

IC 05/23 Gola Island

Eddie Joe Mc Gee requested Council Services to incorporate the following items into their workplans:

- Provision of public convenience
- Port a Chruinn pier works
- Provision of additional fire extinguishers
- Repair of water pipe
- Repair of road to the back of the Island.

Mairín Uí Fhearraigh requested the repair of the electronic counter on the pier.

IC 06/23 Owey Island

William Boyle expressed frustration that the provision of lighting and repair of railings on the pier remain outstanding.

The Marine Engineer undertook to expedite both the above issues as a matter of urgency.

IC 07/23 Rutland Island

Laird Dinsmore highlighted the absence of running water on the Island and the negative impact on development/repopulation. He also recommended the implementation of an Emergency Evacuation Scheme and associated contact numbers.

Cllr. Mac Giolla Easbuig stated that substantial monies have been invested in a pier on Rutland and requested details regarding claims of private ownership.

IC 08/23 **Small Islands**

Máirín Uí Fhearraigh requested assistance from the Council on the following issues:

- Village Renewal Schemes and repair to old houses.
- Repair of roads on Inis Caorach.
- Status of crane on Inisboffin.
- Provision of ring buoys at Kitty Archie's Pier.
- Provision of swim shelter at Magheragallon and Gola Piers.
- Update on status of National Islands Strategy.
- Offshore Wind Project update.

The Committee recommended the availability of a barge / small ferry to facilitate the transportation of goods to the small islands a couple of times per year.

IC 09/23 **Masterplan**

Cllr. Mac Giolla Easbuig requested the Council to liaise with An Roinn, Údarás and Island Co-ops to commence a Masterplan for sustainable Development on Arranmore and at Magheroarty.

IC 10/23 **Priority Projects**

On the proposal of Cllr. Gallagher, seconded by Cllr. Molloy, the Committee recommended the preparation of a prioritised list of all Island Projects and the circulation of status updates in advance of Island Meetings. The Director undertook to arrange preparation of this list.

IC 11/23 **Road Service**

The Roads Engineer informed the Committee that a grant allocation of €100,000 has been allocated to Donegal County Council for Local Improvement Schemes on Islands. He further advised that the Local Improvement Scheme is open for receipt of applications throughout the year. The Roads Engineer acknowledged the receipt of submission of Island Road Projects and undertook to compare

same with the Island's Policy. Seamus Rodgers requested the Council to take over the Doctor's Road on Arranmore.

IC 12/23 Marine Service

The Committee noted the Report circulated at the meeting and presented by the Marine Engineer regarding the status of Marine works throughout the County.

IC 13/23 Any other Business

Seamus Rodgers paid a warm tribute to Cllr. Ian McGarvey following his recent retirement.

Seamus Rodgers also expressed condolences to Cllr. Ó Fearraigh following a recent family bereavement.

The Committee expressed their sympathy to John McCafferty, Arranmore Representative following the passing of his sister.

Seamus Rodgers commended the charitable achievements of Paddy Connaghan from Arranmore who won the World Open Water Swimming Association Man of the Year Award.

THIS CONCLUDED THE BUSINESS OF THE MEETING.

Island Meeting Report - May 2023– Marine Section

Aranmore:

Rannagh – Design Complete, to be uploaded on Etenders in next week. Funding request increased from €70k to €300k after site visit, survey, and further requests. Further information returned to An Roinn

Stackamore – Crane in production, ESB application complete

Pollwaddy – Slipway under design, works to be complete direct labour in coming weeks

Ahphort – Funding requested submitted for crane upgrade, further information returned to An Roinn.

Magheroarty:

Funding request increased to €280k to cover both carparks, further information returned to An Roinn

Gola:

Pier site visit and survey complete – design work underway

Owey:

Lights to be installed by contractor in coming weeks.

Inishmeane:

Steps replacement – Funding applied for

Tory:

Concrete works to steps complete, handrail to be installed, contractor awaiting fittings.

Helipad lights in procurement, works to be complete when delivered.

Inishbofin:

Crane – ESB works complete, final commissioning underway

ROADS - 2023 APPLICATION				
Priority	1	2	3	4
Project name	Arranmore Island - Ring Road Screig Link	Arranmore Island - Stacamór Pier to Upper Leabgarrow	Arranmore Island - Aphort Road	Arranmore Island - Surface Dressing 2022 Works
Start and end points (as coordinates or on a map)	167,310; 417,125 to 165,640; 417,380	168,170; 416,025 to 167,890; 416090	Aphort Road (L-3143-1) in the townlands of Plughoge & Illion 167,110; 414,220 to 167,425; 414375	3 sections 1) 166,705; 414,180 to 166,740; 414495 2) 165,110; 414,470 to 164,855; 414790 3) 165,795; 416,290 to 165,670; 416,455
Road width	2380m long and 3.6m wide	300m long and 3.5m wide	350m long and 4.0m wide	3 sections - all 3.6m wide 1) 410m, 2) 625m and 3) 215m
Type of surface proposed (e.g. depth of Clause 804/806, asphaltic concrete, surface dressing (single/double) etc)	Regulate with Clause 804 and Bitmac with 60mm AC14.	Regulate with Clause 804 and Bitmac with 60mm AC14.	Overlay with 60mm of AC14	Double Surface Dress with 6mm and a 10mm chip
Other relevant details, if applicable (e.g. drainage, lay-by, etc)	Drainage works including replacement of a number of road crossings has been completed	Drainage works to be carried out prior to surfacing. A number of laybys and a dwell area at top of road to be created as part of the scheme	Minimal Prep work required	Minimal Prep work required
Is planning/Part 8 approval required for the proposed works? If yes, give details of the current status.	No	No	No	No
Plans/sketches/tender documents for the proposed works (if such information is relevant). (Attach to this template and describe the information which is being provided in the cell to the right.)	N/A	N/A	N/A	N/A
Is the road currently maintained by the County Council, and/or will it be when the proposed works have been completed?	No but will be taken in charge after the works have been completed. 100% Funding is required	No but will be taken in charge after the works have been completed subject to Landowners signing a land dedication form (3 no landowners). 100% Funding is required	Yes - L-3143-1. 90% Funding is required	No but the process to take in charge has already commenced. 100% Funding required to bring the road to the appropriate standard before take-over completion.
Cost of the proposed works - please provide a breakdown (e.g. drainage cost, Clause 804/806 cost, surface dressing cost etc).	Total Cost = €325,000 Surfacing Overheads = €0 Bitmac = 8568 x €38 = €325,000 After Bitmac Works Overheads €0 Works = €0	Total Cost = €70,000 Surfacing Overheads = €5,000 Bitmac = 1050 x €45 = €47,250 Prep & After Works Overheads = €5,000 Works = €12,750	Total Cost = €55,000 Surfacing Overheads = €6,000 Bitmac = 1200 x €35 = €49,000	Total Cost = €40,000 Surfacing Overheads = €4,000 DSD = 4500 x €8 = €36,000

5	6	7
Tory Island - County Road to Sea Wall (West Town)	Arranmore Island - Safety Audit on newly surfaced Lighthouse Road	Owey Island - Environmental Assessment
185,455; 446,350 to 185,485; 446,300	166,100; 417,145 to 164,310; 418,510	171,915; 422,925 to 171,455; 422,975
60m long and 4.0m wide	At least 3 sections along a 2.3km length of carriageway	550m long and 3.0m wide
Overlay with 60mm of AC14	N/A	Regulate with Clause 804 and Bitmac with 60mm AC14.
Minimal Prep work required	A safety concern has been raised at various locations along the newly surfaced Lighthouse road where a water body is in close proximity to the carriageway.	Further to Island representations, an environmental assessment is required to assess the feasibility and appropriateness of a bound bitmac layer on the Island

Hi Mary,

Seo a leanas an liosta rudaí a bheas mé a thogáil ag an chruinniú ar an 9 Bealtaine:

Oileán Ghabhla

1. An leithreas poiblí - suíomh agus maoiniú
2. An bosca bruscair ag cé an Phoirt Úir don oileán
3. An counter ag cé Thrá na mBlathán
4. Obair ag cé Phort a Chruinn
5. Iarratas ar bhoithre eile an oileáin a choiriú

Inis Bó Finne

1. Ceangal leictreachais don chrann togála
2. Soilse poiblí

Inis Mhic a Doirn - Rutland

1. An pontoon -

Inis Caorach

1. Balla Cosanta
2. Boithre ar na oileán ar liosta na Roinne

Oileán Ruaidh

Creimiú costa -

Ginearálta

2023 Island Programme
Draft National Islands Plan -IC56/22
Dailiú an 2023 LIS Allocation - 100.000
An t-iarratas do seirbhís lastais chulig na hoileáin bheaga
Foscadh ag cé an Phoirt Úir

Le meas,
Máirin Uí Fhearraigh
Bainisteoir
Comharchumann na nOileán Beag
Off-shore wind projects
Muchtóirí tine - dailiú

Hi Mary,

I would like to get an update on the following items:

1. The fencing for the recycling facility?
2. The playground?
3. The seawall. What department is responsible for this?
4. Are we getting any roads done this year?
5. The extension to the slip?

Kind regards,

Marjorie Uí Chearbhaill
