AGENDA

1) **Consideration of the Minutes;**

- (i) MDL Meeting held on 15th January, 2018

Notices of Motions

Cllr. Jimmy Kavanagh

- 2) That the Council carry out an audit of the disabled parking spaces in Letterkenny and make sure they are all fit for purpose.
- 3) That the Council erect signage warning that large vehicles cannot go down Market Square.
- 4) That the Council reconsider the decision not to takeover a section of road at College Farm Road, Letterkenny as per my previous motion.

Cllr. Adrian Glackin

- 5) That the Council finds the means urgently to fix the Magheralask Road L59942 in Glenswilly which has not been extensively improved since 1999 and is in a serious state of disrepair leading to huge frustrations for the people living on that road.
- 6) That this Council investigates the possibility of installing some lights along the footpath in an area of the Glebe on the R245 towards Kilty junction. The area in question is about 150 metres long and is in complete darkness from early evening. Health and safety concerns have been raised by walkers and joggers in the area.
- 7) That this Council undertakes work to remove illegal dumping in the Whitehill Road area of Glenswilly.

Cllr. Gerry McMonagle

- 8) That this Municipal District initiates a process whereby we identify the current owners of the Derelict houses in Meadowbank, Letterkenny with a view to buying those houses and refurbishing them for use as Social Houses. To fund this scheme I propose that we make an application to the Urban Regeneration Fund when it opens up for applications this month.

- 9) That we include Lower Ard O Donnell on our Road Maintenance works as the road surface is cutting up.
- 10) That we consider putting in Road Safety Measures on the Rahan Road due to the increased development in the area.

Cllr. James Pat McDaid

- 11) That this Council liaise with the current roads engineer in the Manor area which the Letterkenny area will be inheriting this year after the local elections to make sure that these roads are being maintained and on roads programs where necessary in the interim and When exactly can we expect the Letterkenny roads engineers to take over the new manor area.
- 12) That this Council take immediate action to improve the vision lines at the Old Rashdeoge bridge in Glenswilly at the junction heading in the back road towards New Mills bridge and can we make sure that this bridge is included in the list of protected structures so it may be possible to get heritage money in the future to maintain and restore.
- 13) That the Council provide me with a detailed update on the junction in front of Larkin's lane and what proposals they have to address the current accident prone area and difficult access to businesses.

Cllr. Michael McBride

- 14) That Donegal County Council would consider the provision of salt/grit bunkers in all housing estates and have an online map indicating where all grit supplies are located for local communities.
- 15) That Donegal County Council replace the tar road through the village of Kilmacrennan as the pavement is totally disintegrating particularly on Lower Main Street.
- 16) That the tarred road in Churchill be repaired in the immediate vicinity of the new playground which is due to be officially opened on St Patrick's day this year.
