COMMENTS

Thank you for addressing the problem of giant wind turbines which are destroying habitat. Donegal CoCo needs to be more involved in plans for wind and solar energy to make sure such plans are compatible with SAC & SPA areas. Citizen involvement and networking could help us develop a comprehensive approach rather than developer led initiatives. I am a member of Friends of Rosknowlagh Bidwatch Ireland, The Wildlife Trust, An Taisce, Dúla Co-op Crann.ie, Teagasc (as [REDACTED] [REDACTED]) & plan to join Rivers Trust. Please feel free to contact me.
