Dear Sir/Madam

I wish to object to the proposed development of wind farms on St John's Point as outlined in the draft County Donegal Development plan 2024-2030. St John's Point has been designated as a Special Area of Conservation and should be protected at all costs.

Much work has been invested in furthering Donegal as a unique tourism destination and so far, St John's Point has remained untouched by commercialism. It is an area of outstanding beauty, please do not let it become home to another blight on our beautiful landscape.

Yours sincerely,

Olive Mc Govern
