To whom it may concern

I have reviewed new route map section 3 and have concern with proximity of route to ST Jude Court, Drumboy, Lifford. See attached screenshot for location.

My concerns outlined below.

1) flood risk. Currently we have a lot of surface water running from hill into rear of properties after heavy rain. Will new road increase risk of flooding and have any risk assessment or surveys been done in regards to properties in St Jude Court.

2) Impact of new busy road to rear of properties. Will planners include measures to mitigate noise pollution such as planting trees etc

I look forward to hearing from you.

Yours Sincerely

Ronnie Quigley
