**Regeneration** and **urban design** proposals

are contained in the urban design framework.

## ACTIVE INITIATIVES

supporting urban renewal and a strong town centre include

Letterkenny Tidy Towns and the Cathedral Quarter

Vibrant and diverse

## town centre

encompassing

Main Street and the retail parks adjacent

# 5,000

existing car parking spaces in the town centre

- ??? Where are the key sites to be prioritised for urban renewal?
- ??? What town centre sites are underutilised?
- ??? What are the investments that could be a catalyst of urban and town centre renewal?
- ??? Should the area of town centre for retail development be consolidated?
- ??? Where should walking and cycling be prioritised in the town centre?
- ??? How can public transport be accommodated in the town centre?
- ??? Where would be the best location for a transport hub in the town centre?
